Lehigh University, 405 N. Main
St., Bethlehem, Pa.
Tuesday evening.
J. H. GOODWIN, Secretary.

Ohio Gamma, District 4—Ohio
State University, 30 14th Ave.,
Columbus, O.
Monday evening.
GERALD H. COLEMAN, Sec-
retary.

Vermont Alpha, District 1—Nor-
wich University, Northfield, Vt.
Sunday afternoon.
DAVID B. HOLLIS, Secretary.

Alabama Alpha, District 5—Ala-
bama Polytechnic Institute,
Chapter House, Auburn, Ala.
Sunday afternoon.
C. S. HOWARD, Secretary.

North Carolina Gamma, District 3
—Trinity College, Durham, N.
C.
E. B. HARDEE, Secretary.

New Hampshire Alpha, District
1—Dartmouth College, Hanover,
N. H., 37 N. Main St.
Wednesday evening.
SETH A. DENSMORE, Secre-
tary.

District Columbia Alpha, District
3—George Washington Univers-
ity, 1829 19th St., N. W., Wash-
ington, D. C.
Saturday evening.
L. D. WHITTAKER, Secretary.

Kansas Alpha, District 7—Baker
University, 602 9th St., Baldwin,
Kan.
Thursday evening.
CHESTER H. BRUCE, Secre-
tary.

California Alpha, District 10—
University of California, 2521
Channing Way, Berkeley, Cal.
Monday evening.
JOHN T. CROWELL, Secretary.

Nebraska Alpha, District 6—Uni-
versity of Nebraska, 1319 Q St.,
Lincoln, Neb.
Monday evening.
HERMAN S. DELANO, Secre-
tary.

Washington Alpha, District 9—
Washington State College, 506
Colorado St., Pullman, Wash.
Sunday morning.
W. L. BELL, Secretary.

Massachusetts Alpha, District 1—
M. A. C., 28 Pleasant St., Am-
herst, Mass.
Monday evening.
R. A. MELLEN, Secretary.

New York Beta, District 2—Cor-
nell University, 112 Edgemoor
Lane, Ithaca, N. Y.
Sunday evening.
A. N. LAWSON, Secretary.

DIRECTORY OF ACTIVE CHAPTERS—Continued

Michigan Alpha, District 2—University of Michigan, 604 E. Madison St., Ann Arbor, Mich.
Monday evening.
R. L. MORSE, Secretary.

Iowa Alpha, District 6—Iowa Wesleyan College, 301 W. Broad St., Mt. Pleasant, Iowa.
Tuesday evening.
L. J. FELDMAN, Secretary.

Colorado Beta, District 8—Denver University, 4335 Thompson Court, Monday evening.
CHARLES B. ROTH, Secretary.

Tennessee Alpha, District 5—University of Tennessee, Knoxville, Tenn.
Monday evening.
ALBERT F. OFFICER, Secretary.

Missouri Alpha, District 7—University of Missouri, 1409 Rosemary Lane, Columbia, Mo.
Sunday evening.
RODNEY M. FAIRFIELD, Secretary.

Wisconsin Alpha, District 6—Lawrence College, 690 Lawrence Ave., Appleton, Wis.
Monday evening.

The Sigma Phi Epsilon Journal

Vol. XVII.

March 1, 1920

No. 3

By the Grand Secretary

Both the October and the December issues of the Journal called attention to the compiling of the War Service Record and the new Directory. Too much stress cannot be laid upon the importance of these publications. All members are therefore urged to assist in every possible way toward their production.

Every Chapter has been supplied with blanks for its Alumni, as well as for its active members, and these should be distributed, accompanied by a letter urging their immediate return, properly filled out. If the name and address of every member is returned promptly on the War Record Blank, it will be of great help to those in charge of the work on the Directory.

Alumni Chapters and Associations should complete these records, and advise their respective Chapters as to what records have been sent in.

Photos will be printed of all men who have rendered noteworthy service, if they are forwarded to us along with a detailed account of the service performed.

Our Fraternity should have a particularly attractive book, as, of all Fraternities, we probably have the greatest percentage of members who were in active service (viz., 75). To complete this record it will require the assistance of every member of the Fraternity, and you among them are urged not only to see that your record is reported, but to go after every other member with whom you are acquainted.

If you have no war record to fill out, then send in your name and address, so that our directory record may be completed.

These records should be forwarded at once, as it is desired that the book may be ready for distribution by the time colleges open for their fall term.

At the meeting of the Executive Committee held at Ames, Iowa, April 11, 1920, the country was re-subdivided, making ten districts instead of eleven. The distribution of the States into the various districts and the deputies are:

District	Deputy
1. Maine, New Hampshire, Vermont, Rhode Island, Connecticut, Massachusetts.	Harold D. Stillman, 27 Chester St., Nashua, New Hampshire.
2. New York, New Jersey, Pennsylvania, West Virginia, Delaware, Michigan.	P. C. Euichner, Geneseo, New York, care Livingston County Trust Co.
3. Maryland, District of Columbia, Virginia, North Carolina.	J. E. Woodward, care Travelers Insurance Co., Mutual Bldg., Richmond, Va.
4. Ohio, Indiana, Illinois, Kentucky.	W. A. Hanley, Indianapolis, Ind., care Eli Lilly Co.
5. South Carolina, Florida, Georgia, Alabama, Mississippi, Tennessee.	E. D. Ivey, 512 Euclid Ave., Atlanta, Ga.
6. Wisconsin, Minnesota, Iowa, Nebraska, North Dakota, South Dakota.	R. L. Theisen, care Northwestern Mutual Insurance Co., First National Bank Building, Lincoln, Nebr.
7. Arkansas, Missouri, Oklahoma, Kansas, Louisiana, Texas.	Paul G. Koontz, 615 Frisco Bldg., Joplin, Missouri.
8. Colorado, Wyoming, Utah, New Mexico, Arizona.	J. H. Crary, Jr., Denver, Colo., care Gates Rubber Co.
9. Montana, Idaho, Oregon, Washington.	F. N. Bryant, P. O. Box 123, Pullman, Washington.
10. California, Nevada.	C. H. Jensen, 3047 Benvenue Ave., Berkeley California.

Been Sent In?

INSTALLATION OF OKLAHOMA ALPHA

James W. Day, Missouri Alpha

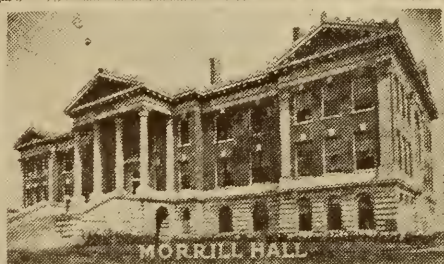

The installation of Oklahoma Alpha of Sigma Phi Epsilon was a memorable and inspiring occasion from the time the members of the installation committee began to arrive Friday morning until the last visitor left Monday afternoon. The commingling of brothers from different Chapters of the Fraternity is always attended with much pleasure; but at an installation the enthusiasm is even more rife than is the case at other meetings. That no brother for whom it is possible to attend an installation can profitably neglect to avail himself of the opportunity can be testified by those who were present in Stillwater during the Easter holidays.

The intention of those in charge was to begin the initiation on the night of Friday, April 2d, but as the arrival of Grand Secretary Phillips and a number of the representatives of other Chapters was delayed until Saturday morning, the ceremonies of installation were postponed until that time. Consequently, for the benefit of visiting members of Sigma Phi Epsilon and the alumni of the local, Sigma Tau was assembled in meeting Friday night for the last time, and Edward E. Pace, a pledge, was taken through the impressive ritualistic work of the organization.

The other members of the installation committee reached Stillwater Saturday morning and the work of initiation was begun. The committee consisted of twenty-three members of Sigma Phi Epsilon, the following men being present: Senator F. W. Knauss, Colorado Alpha, Grand President of the Fraternity; W. L. Phillips, Virginia Alpha, Grand Secretary; Charles L. Yancey, D. C. Alpha, Past Grand Vice-President and Past Grand Historian; F. L. Bell, Delaware Alpha; James W. Day, Missouri Alpha; Xenophon R. Gill, Colorado Alpha; E. A. Clark, Indiana Alpha; Sidney M. Benton, F. S. Gee, T. N. Graham, H. G. Graham, M. L. Argo, A. C. Clark, and Clyde H. Dorr, Arkansas Alpha; Walton Clinton, Virginia Eta; R. G. Steers, W. S. Harmon, Claude E. Main, F. W. McDonald, and Wayne Horn, Kansas Alpha, and P. L. Fetzer, C. C. Knisely, and W. H. Salisberry, Kansas Beta.

Through the strenuous efforts of these brothers, the ceremonial work was completed in time for the installation banquet at 8:30 o'clock Saturday night. The repast was served in the college dining-room, as the seventy members of Sigma Phi Epsilon could be accommodated more conveniently there than elsewhere in Stillwater. Men from twelve Chapters of the Fraternity were present at the banquet. William J. Beck acted as toastmaster, and toasts were given by the national officers, President Cantwell, several members of the newly installed Chapter, and at least one man from each Chapter represented.

After the banquet the sorority houses were serenaded with a number of the rousing songs of Sigma Phi Epsilon.

MORRILL HALL

WOMANS BUILDING

LIBRARY BUILDING

The Kappa Chi Sorority (petitioning Chi Omega) held open house for the visitors and local Chapter Saturday afternoon. This affair was attended by the members of the Fraternity in groups, so that the initiations proceeded continuously throughout the afternoon. In general, the members of Oklahoma Alpha delayed their visits to the Kappa Chi house until they were initiated and were entitled to the congratulations of their charming hostesses. The Pi Beta Phi Sorority delightfully entertained for the visiting brothers and Oklahoma Alpha on Sunday afternoon.

The members of the new Chapter are Dr. J. W. Cantwell, President of the Oklahoma Agricultural and Mechanical College; Dr. Charles W. Briles, State Director of Vocational Education; Dr. Hilton Ira Jones, Professor of Chemistry; M. J. Otey, Financial Secretary of the College; Olin M. Clark, Professor of Agricultural Education; James W. Day, Professor of Vocational Agriculture; William J. Beck, Hunter, Oklahoma; Charles Kilpatrick, Hunter, Okla.; H. H. Finnell, Stillwater, Hunter, Okla.; Earl R. French, McClainsboro, Ill.; E. E. Ivest, Avery, Okla.; H. E. Dunlavy, Stillwater, Hunter, Okla.; A. E. Wade, Douglas; George H. C. Green, Jr., Bethel; Clyde Haston, Stillwater, Okla.; Robert N. Brooks, Chickasha, Okla.; Meredith H. Bright, Hugo, Okla.; R. A. Lerner, Dill, Okla.; Charles A. Percival, Stillwater, Okla.; B. L. Wertz, Conway, Ark.; Robert Penquite, Chickasha, Oklahoma; Charles W. Upp, Chelsea, Okla.; Armon Williams, Marshall, Okla.; George W. Glendening, Hartshorn, Okla.; A. Berne Briggs, Stillwater, Okla.; Clarence Seaborn, Blackwell, Okla.; M. C. Liebhart, Drummond, Okla.; Marcus W. Hinson, Eldorado, Okla.; Robert W. Wall, Perkins, Okla.; Richard Hildebrand, Stillwater, Okla.; R. R. Randolph, Fresno, Cal.; Leo M. Landers, Cushing, Okla.; Roy E. Canfield, Ayle, Okla.; Sylvan R. Wood, Watertown, S. D.; David Harry Foster, Stillwater, Okla.; Raymond D. Shannon, Perkins, Okla.; Frank Boyd, Krenlin, Okla.; J. F. W. Rolette, Drumwright, Okla.; Wheeler R. Leard, Hugo, Okla.; William Williams, Marshall, Okla.; Charles L. Nicholls, Esmond, S. D.; Charles C. Boles, Enid, Okla., and Elbert E. Pace, Welch, Okla. Vernon Page, of Enid, is a pledge of the Chapter.

Engineering Building, Oklahoma A. & M. College

THE OKLAHOMA AGRICULTURAL AND MECHANICAL COLLEGE

Sylvan R. Wood, Oklahoma Alpha

The Oklahoma Agricultural and Mechanical College is situated in Stillwater, a town of 6,000 inhabitants. The college campus and farm embrace a tract of 1,000 acres, upon which the following buildings have been erected: Engineering building, shop building, heating plant, auditorium, woman's building, boys' dormitory, chemistry building, library, central building, Morrill Hall, dairy building, Agronomy building, live-stock judging pavilion, old engineering building, greenhouse, poultry plant, apiary and insectary, science building, gymnasium and armory, and five barns. A new home economics building is under construction, and provision has been made for the erection of a new library and new administration building. The present value of the plant, in conjunction with the proposed addition, will bring the total valuation well in excess of \$2,000,000.

The college consists of seven schools, comprising thirty-five departments. These are the Schools of Agriculture, Engineering, Home Economics, Science and Literature, Education, Commerce and Marketing, and Veterinary Medicine. In addition, the laws of the State provide for the maintenance of a secondary school. Research work relating to agriculture is carried on by the Agricultural Experiment Station. There is no tuition, the only expenditure required being an entrance fee of \$2.50.

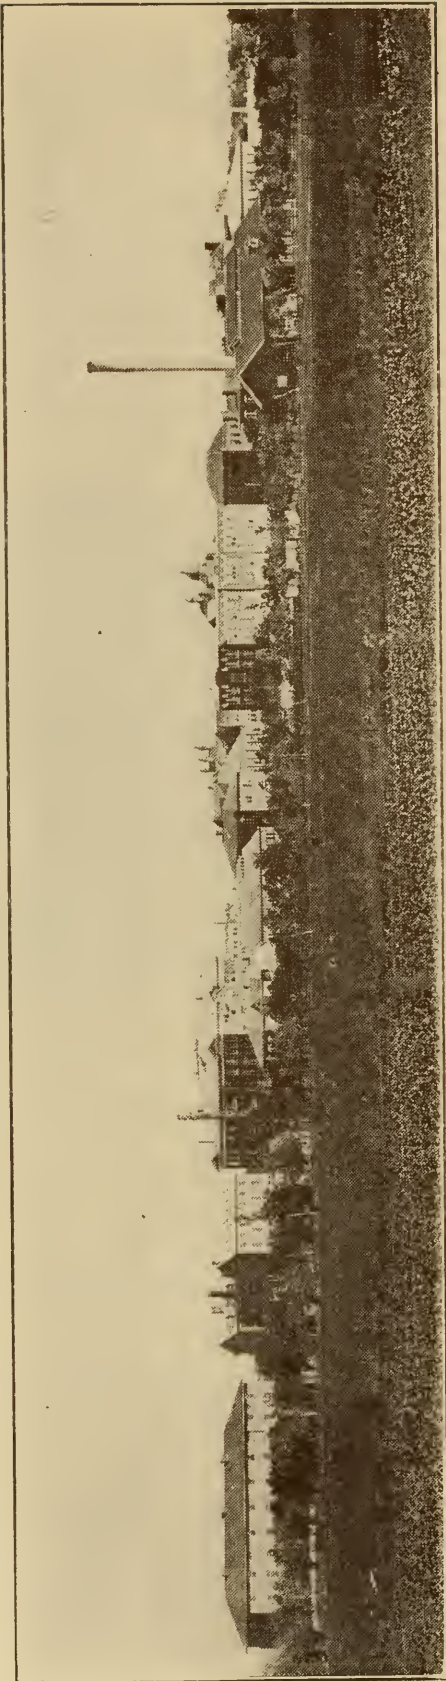

The instructional staff numbers 140, including those who give part or all of their time to experimental and research work of an agricultural nature.

The enrollment of the college is normally about 2,000, of which two-thirds are male students. However, the activities of the college do not stop here. The truly important part it plays in the affairs of the people of the State is evidenced in the fact that over 40,000 others who are not actually in college benefit through the operations of the Extension Division, a department whose influence throughout the State would be difficult to estimate.

In conclusion, it may be of interest to note the activities of the college as reflected in the Fraternity field. The three men's national Fraternities represented on the campus are Lambda Chi Alpha, which entered the institution in 1917, and Kappa Alpha (Southern), and Sigma Phi Epsilon, which entered March 18, 1920, and April 3, 1920, respectively. The four locals are petitioning Beta Theta Pi, Sigma Chi, Sigma Nu, and Kappa Sigma. Of the women's nationals, Kappa Delta, Pi Beta Phi, and Kappa Alpha Theta have entered since the first of August of this year, and Kappa Kappa Gamma and Chi Omega are being petitioned. There are two other women's locals that have not as yet announced the organizations from which they are seeking charters.

Professional and honorary Fraternities in considerable numbers are also placing Chapters at A. and M. Alpha Zeta (agriculture) has been here for a number of years, as also have Pi Kappa Delta (forensic), Delta Alpha Sigma (agricultural scholarship), and Theta Alpha Phi (dramatic). Omicron Nu (home economics), Scabbard and Blade (military), and Alpha Kappa Psi (commerce and marketing) have installed here within the last six weeks. Phi Kappa Phi (general honorary) will place a Chapter here the 23d of April.

There seems every reason to believe that the present activity in the Fraternity field here will continue.

HISTORY OF SIGMA TAU

H. H. Finnell

The majority of the charter members of the local Sigma Tau have opposed membership with an older organization, because they wished to inculcate in their young brothers certain ideals which differ from those held by other Fraternities.

They reasoned, for instance, that a Fraternity should stand for something more formidable than a mere social organization; and that personal character being the thing most desired, all other considerations are of secondary importance.

The work of perfecting a practical organization along these lines was accomplished in the fall of 1916 by the twelve original members. In the spring of 1917 Sigma Tau made its formal appearance among the other Fraternities of the college, and was admitted to conditional membership in the Inter-Fraternity Council.

In the fall of 1917, having grown in membership and strength, the Fraternity moved into its first home near the campus and received full membership in the council. The growth and Fraternal development which took place during the term of 1917-18 was even better than had been hoped for by the founders. This fact alone is responsible for the wonderful manner in which the organization, owning nothing and bound together by only Fraternal ties, was able to withstand the dismembering effects of the war period.

By commencement season, 1919, Sigma Tau was one of the leading Fraternities of the college; and, in the summer of the same year, it moved into a new and larger house. Thus firmly established in the college, and with the assistance of the faculty members, it began its efforts toward procuring a charter from Sigma Phi Epsilon.

The new Chapter accepted the charge from the high officers with the determination to become a worthy representative of Sigma Phi Epsilon.

Has Your War Record Been Sent In?

FACULTY MEMBERS OF OKLAHOMA ALPHA

President J. W. Cantwell

President James William Cantwell was born at Douglass, Tex., on March 6, 1868. He spent his undergraduate college days at Baylor University, Waco, Tex., and received the degree of A. B. from that institution in the Spring of 1893. He obtained his A. B. from Yale in 1894 and his A. M. from Baylor in 1903.

President Cantwell has been engaged in educational work ever since his graduation from college, having been Principal of the Southwestern Academy, Magnolia, Ark., and Superintendent of Schools at Texarkana, Ark., Corsicana, Tex., and Fort Worth, Tex. In 1907-1908 he was President of the Texas State Teachers' Association. Since June 3, 1915, he has been President of the Oklahoma Agricultural and Mechanical College.

During the war he took an active part in patriotic associations of various kinds and was a member of the Oklahoma Council of Defense.

He was initiated into Sigma Phi Epsilon at the installation of Oklahoma Alpha.

Dr. Charles W. Briles

Dr. Charles W. Briles was born at Thomasville, N. C., on February 24, 1873. He entered the University of North Carolina in 1892 and received the degree of B. Litt. in 1896. He has since taken graduate work in the University of Texas and the University of Chicago. From 1896 until 1905 he taught in the public schools of Texas. He was Superintendent of Schools at Muskogee, Oklahoma, for four years, and from 1909 until 1916 was President of the East Central State Normal School at Ada, Oklahoma. In 1916 he was a candidate for the office of State Superintendent of Schools. From 1916 until 1918 he was on the faculty of the Oklahoma Agricultural and Mechanical College, and since the latter date has been State Director of Vocational Education for Oklahoma.

Dr. Briles was one of the founders of Sigma Tau, and left on the organization a strong impression of the high ideals for which he is noted. He has contributed in at least as great a degree as any individual to the upbuilding of the Chapter.

Professor Olin Mitchell Clark.

Professor O. M. Clark was born at Chapin, S. C., on June 22, 1885. He took his undergraduate work at Clemson College and graduated from that institution in 1909 with the degree of Bachelor of Science. He entered Cornell University in the fall of 1917 and specialized in agricultural education. He received his M. S. from Cornell in 1918.

Professor Clark was Assistant Professor of Agronomy at Clemson College from 1912 until 1918. From 1918 until 1919 he was Associate Professor of Rural Education at the same institution. Since September, 1919, he has been Professor of Agricultural Education at the Oklahoma Agricultural and Mechanical College. He became a member of the local, Sigma Tau, several months ago, and was initiated into Sigma Phi Epsilon at the time of the installation.

Dr. Hilton Ira Jones

Dr. H. I. Jones

Dr. Hilton Ira Jones was born at Mankato, Minn., on May 9, 1882. He graduated from Parker College in 1903 with the degree of A. B., and received his A. M. from Drake University in 1904 and his Ph. D. from the University of South Dakota in 1915. He was a Warren Fund scholar at Harvard in 1906-1908 and a fellow in chemistry at the University of Chicago in 1908-1909. He was engaged in teaching and in commercial chemical work from 1904 until 1912. From 1912 until 1918 he was Professor of Chemistry at Dakota Wesleyan University, and since September of the latter year has been Professor of Chemistry at the Oklahoma Agricultural and Mechanical College.

Dr. Jones is also a lecturer for the Redpath Lyceum Bureau, and is a speaker of national repute. His summers are spent on the Chautauqua platform.

He was the organizer and first president of the South Dakota Academy of Science, the secretary of the South Dakota section of the American Chemical Society, the organizer of the Farmers' Club movement in South Dakota, and president of the South Dakota Rural Life Betterment Association. He is a fellow of the American Academy for the Advancement of Science and of the Chemical Society of London.

At the time Dr. Jones became connected with the Σ T that has recently been chartered as Oklahoma Alpha, the active personnel of the organization consisted of a discharged soldier and two men who had been rejected by the army, the other members of the Chapter being in the national service. With his characteristic energy he took up the matter of assisting the local to survive the strenuous times, and his part in the subsequent upbuilding of the Chapter has been a prominent one. To him belongs much of the credit for the present standing of Oklahoma Alpha.

M. J. Otey

Professor Monroe Job Otey

Professor Otey was born near Carthage, Jasper county, Mo., on December 3, 1878. He entered the Oklahoma Agricultural and Mechanical College in 1898 and received the degree of Bachelor of Science in 1902. In 1903 he completed a business course at the Gem City Business College, Quincey, Ill. He was financial secretary of the college from 1904 until 1910, when he entered the banking business in Osage county, Oklahoma. In 1914 he disposed of his banking interests and returned to the college as financial secretary, a position that he now holds.

Professor Otey is one of the most influential alumni of the college. For some time he was secretary of the Alumni Association, and from 1915 until 1919 he was president of the same organization.

James Westbay Day

Professor James Westbay Day

Professor James W. Day was born at Carthage, Mo., on November 7, 1890. He took his secondary school work at the Monett, Mo., and high school work at Western Military Academy. He entered the University of Missouri in 1910 and received from that institution the degrees of Bachelor of Science in Agriculture, Master of Arts and Bachelor of Science in Education in the years 1914, 1916 and 1917, respectively. In 1916-1917 he was a fellow in agronomy at Rutgers College. He has served as instructor of agriculture in high school, Assistant Professor of Agriculture, Springfield, Mo., State Normal School, and grain supervisor for the United States Department of Agriculture. Since May 28, 1919, he has been Professor of Vocational Agriculture at the Oklahoma Agricultural and Mechanical College.

Professor Day became a member of the Missouri Alpha Chapter of Sigma Phi Epsilon while he was a student at the University of Missouri. He has always taken an active part in the affairs of the Fraternity and has held several offices, including that of president of his Chapter. Since he joined the faculty at Oklahoma Agricultural and Mechanical he has been closely connected with the local, Sigma Tau, and it was through him that that organization was put in touch with Sigma Phi Epsilon. His labors to further the interests of the local, both in regard to nationalization and in other respects, have been unceasing.

ALUMNI INTEREST—THE SOLUTION OF ONE OF OUR BIGGEST PROBLEMS

W. H. Eastman

The nut has a thick shell, but if we apply pressure enough we can crack it. This seems simple enough, and yet we must use the combined effort of every man in the Fraternity to accomplish the result. Pause for a moment, take a full, deep breath and consider the problem. What do we need most that is at present lacking? The answer appears to me to be "Alumni interest."

Alumni interest is of two distinct, though widely diversified, forms; the one being the relation of alumni to their own Chapter, the other the relation of the alumni in general to the Fraternity as a whole. The first is a local problem entirely, to be solved by the individual Chapters, and is now being well handled at some of the Chapters by means of monthly bulletins, which are circulated to all alumni of the Chapter. The second problem is a knotty one, and even though it be solved temporarily, commands much thought and deliberation on the part of the entire Fraternity.

It seems to me that the solution of the problem is to increase the subscription of the journal. This will automatically divert a stream of current news items into the editor's hands, make a larger and more interesting magazine, and immediately foster the spirit among our alumni.

It is to be admitted that the average alumnus, who is a hard-headed business man, wants more for his subscription price than a few current topics on the various Chapter activities, and with this in view a future policy has been adopted to make the journal a real Fraternity paper.

There are many different ways in which the circulation of the journal can be materially increased, but it is not a "one man job." To put the thing across and bring gratifying results in a large way requires organized effort of the first magnitude.

The two main channels through which subscriptions now flow are (1) the Grand Secretary's office, (2) the active Chapters. Setting aside these two possibilities, we must perfect a permanent organization among our alumni, whose function will be to handle such matters as this and foster the spirit among the alumni. This is a big field, and a big far-reaching, permanent organization is necessary. The logical thing to do, it seems to me, is to delegate more specific duties to each of the following groups, one of these duties only having reference to this article, i. e., "to see that all alumni subscribe to the journal regularly."

(1) District deputies.—One of the most important duties of the district deputy should be to obtain journal subscriptions. This will automatically strengthen the interest of the alumni, and make the other duties secondary in importance. District deputies should also appoint sub-deputies, geographically distributed over the district, and get them organized, thus multiplying the potential energy available.

(2) Alumni Chapters.—All Alumni Chapters are supposed to pay a per capita tax to the Grand Chapter, amounting to \$1.50 per member, each to receive in return the journal. This rule has not been rigidly enforced, nor has there been much enthusiasm shown on the part of Alumni Chapters to increase their membership, thereby increasing the circulation of the journal. This is a vast field for the Alumni Chapters, and great results can be achieved.

(3) Class delegation secretaries.—Each active Chapter should appoint a secretary of each class delegation that has graduated and are to graduate, to be held responsible for the other members of the class. This class delegation secretary should keep in constant touch with the other members of his delegation, and advise the local Chapter of any news, sending copies of all such correspondence to the Grand Secretary's office for journal record. One of the chief duties of the class delegation secretary should be to see that all of the delegation continue to subscribe for the journal after the two-year free subscription period has expired.

If all these groups get to working together co-operatively it will be only a short time when the journal will assume an air of dignity and importance, and our alumni will answer the call and partake more freely of the abundant stores of latent fraternal spirit.

Has Your War Record Been Sent In?

The following letter is published at the request of the Denver Alumni Chapter.—Editor.

Denver, Colo., April 21, 1920.

Hon. W. L. Phillips, Grand Secretary,
Sigma Phi Epsilon Fraternity,
1104 Va. Railway & Power Bldg.,
Richmond, Va.

Dear Bro. Phillips:

The question of a more suitable Fraternity pledge pin has been discussed at length in one of our regular meetings, and we feel that there is universal interest in securing a more ornate emblem, if possible.

To bring the matter before us, the Denver Alumni Chapter offers a prize, consisting of a gold watch chain with the Fraternity initials suitably mounted, to the brother who designs a new pledge pin which is adopted for use by the Fraternity.

All designs should be forwarded to our Grand President, Francis J. Knauss, 811-14 E. and C. Building, Denver.

We respectfully ask that you publish this letter in an early number of the "Journal."

Fraternally yours,

THE DENVER ALUMNI CHAPTER,
Ward I. Miller, Secretary.

1716 So. Pearl St., Denver, Colo.

WILLIAM ELLISON HARVEY

A MISAPPREHENSION

Writing in Banta's Greek Exchange for September, a leader of Inter-Fraternity thought declares that he has never known a "more feverish interest in social matters than at the present time"; nor has he ever known "a greater desire for the extravagant expenditure of money among Fraternity men."

Coming from one of authority, The Tomahawk, of Alpha Sigma Phi, seems to regard this statement as a gloomy potent, unless Fraternities adopt a more rigid economic policy, especially with reference to social matters.

We do not share this view. On the contrary, we are somewhat inclined to believe that The Tomahawk is influenced more by the fame of the one quoted than by an independent study of conditions. These, after all, are but a repetition of what has ever followed a war. Then, released from its anxieties, the human mind has always turned to the gayer side of life. In ancient times there were festivals to mark this transitional stage: sports were revived; the arts restored, and, altogether, a more or less frolicsome period ensued. Yet it was not, at bottom, a frivolous one. Neither did it bespeak a moral or mental degeneracy. It was purely the natural urge for relief, and in this the mind was dominated by the laws of contrast.

So we find in what is termed "a feverish interest in social affairs" a statement quite as exceptionable as the one made by the same author when he adds that he has "never known a greater desire for the extravagant expenditure of money among Fraternity men." Now, to squander money is one thing, and the desire to squander it is still another. Consequently, there is a meaning which the writer has failed to shade.

If, however, he is complaining of what seem to be unduly large sums expended for this or that purpose, then he is unmindful of the present low purchasing power of the dollar, and the facts which have brought this about. As a result, we feel that Fraternities have come in for a round of undeserved, though well meant, censure.

ONE TO AVOID

The Snob is not an easy one to describe. In truth, he stands in so many different lights that it is hard to pick the one most characteristic. The common impression, however, is of a man who enters into most occasions with a preconceived dislike for everything that awaits him. He displays at the outset a keen disappointment over the style of decorations, and an even bitter resentment of the presence of certain persons. More, the shock to his peculiar sense of delicacy is seldom followed by a generous impulse to laugh and make the most of things.

No, Mr. Snob must examine the table-ware, question the propriety of each dish, and lastly show such an accurate discrimination between satin and satine, that those who are not staggered by his knowledge, would like to murder him for his impertinence. But before they are given a chance for action, Mr. Snob has struck another angle of his cheerless temperament. This time he is wondering how any one of such humble origin as Mr. Smith can have the boldness to enunciate his opinions; and as for the lady on his right, he just recalls that before her marriage to the late G. Bond, her only position of prominence had been on a stool behind the hosiery-counter.

Distasteful as these comments are to his fellows, the Snob must find them an endless source of delight. Why, we are not prepared to say. It may be an example of early influence; or again, it may be the effect of subsequent environment. But whatever the cause, Mr. Snob is nevertheless a bore; and while wishing him no harm on his way, we do not wish him to pause in our midst.

A CASE IN POINT

In the unusual case of L. J. Servais, Pennsylvania Delta, there is additional evidence of the loyalty existing among Fraternity members.

Servais, a noted athlete of the University of Pennsylvania, fell into a state of coma, from which the doctors declared he would not recover unless some means were provided for keeping him awake at least 16 hours each day. Artificial means failing, his Fraternity brothers divided themselves into relays, whose purpose was to entertain the patient with conversation, jokes, or whatever else for the time specified.

The Result: Servais is now a well man.

The Moral: The loyalty in Sigma Phi Epsilon.

GREEK BIBLIOGRAPHY

Having expressed ourselves concerning the "monitor," we may appear a little inconsistent to keep hammering away at you on this or that subject; but there are some things so obvious, that to neglect mentioning them would seem more inexcusable than their discussion could prove tedious. Among these is the literature of the Greek-letter world. By this, we do not mean merely the periodicals of the different Fraternities, but such authoritative works as Banta's Greek Exchange.

We wonder if the average Fraternity zealot reads this splendid book. If not, then he is missing a source of genuine pleasure and edification. In addition to its official utterances on matters relating to the Hellenic world, this unique magazine contains a fund of general information, and the style in which it is presented is good to a model degree.

But Banta, though supreme, is only one book, and it takes a good many volumes to make up a library. To begin the work of accumulation, it is necessary to keep on the alert for everything written along these lines. The bulk of this material is naturally of an academic character, but there has been a tendency of late to bring the subject of Greek-letter fraternalism into the plots of both fiction and the drama. As an illustration of this, we would call attention to the works of Mr. Frederick Gundelfinger. Without committing ourselves in the matter of their literary excellence, we will state that their themes are pertinent, and for this reason they deserve a prominent place in Greek letter bibliography.

A WARNING

That a youth should be taunted because of his poverty, is hard enough to conceive; but when we read that, in turning upon his persecutors, he is killed and his body shoved behind a trash-heap, then our imagination fails us. Yet appalling as it may seem, this very thing happened recently in Pueblo, Colorado.

Now, we wonder if boys so inhumanly vicious as these can ever outgrow their tendencies. We trust that it is possible, though we fear that the capacity for evil is so ingrained, that environment would never completely efface it. Of course the case cited is an unusual one, and the principals might justly be termed abnormal; but there are forms of cruelty other than those which would inflict bodily suffering, and, in their way, they are just as profound.

However, cruelty is cruelty, whether it be meted out by hand or by tongue; and, in our mind, it should be sufficient to debar one from sitting in judgment of another. Holding this view, we feel that a closer trace should be put on a candidate's antecedents; for regardless of his other faults, unless he has the proper sense of mercy, he will never become worthy of Sigma Phi Epsilon.

THE MATTER OF EXPANSION

United, as we are, by the stronger bonds of a nation, it seems odd that certain minor differences will persist. Yet they do. More than that, they bid fair to continue, despite the harmonizing influence of time. The truth of this has been brought most forcibly to bear upon us in the matter of chapter expansion, where, strangely enough, a diversity of feeling is pronounced.

The North, for instance, seems to oppose an increase in the number of chapters, but to favor an enlargement of the chapter membership; while in the South, where personal sentiment is a factor, there is a preference for more chapters, these to be Southern, and with fewer members on their rolls.

But what seems most obvious is that both sections appear indifferent to the Great West, an attitude hard for us to understand, inasmuch as this territory possesses not only some splendid institutions, but, by adding them to our roll, an easier line of communication would be established. At present, many of our chapters are widely separated, and, consequently, some fruitful soil is left untilled.

Take, for example, the division between the Universities of California and of Colorado, a distance of some fifteen hundred miles. An awful jump, to be sure! Yet, there it is, and in making it, we miss several worth while points. There are numerous other such latitudinal handicaps, but we cite this particular one as a strong point in proof of expansion.

Have you an argument to the contrary? If so, we should be glad to hear it. Meantime, we shall accept your silence as an assent to our views on this subject.

APROPOS

At a recent banquet, Iowa Gamma omitted from its toast-program the subject of Versatility. This trait, we venture to say, is one of the most important of all factors in the shaping of a successful career; for however much may be said in ridicule of the "Jack-of-all-trades," he is certainly the hero of emergency, and an independent being, as well.

Chapter Letters

VIRGINIA ALPHA

RICHMOND COLLEGE

U. H. Mills

The third semester is well advanced and the brothers will soon be leaving for home. This has not only been an especially good year for Virginia Alpha, but things are exceedingly bright for next year. Only three men are graduating this term, and we expect to have a good crowd back to start next year with lots of "pep."

During the past few months we have initiated seven men, whom we are glad to introduce.

Initiated January 16, 1920:

Thomas Landon Howard, '22, Pr. Med., Salemburg, N. C.
Horace Austin Wright, '23, Arts, Richmond, Va.
Fred Atwill Brown, '23, Pr. Med., Hinton, W. Va.

Initiated February 6, 1920:

Otis Lanier Clark, '23, Arts, Richmond, Va.

Initiated March 11, 1920:

Lewellyn Benjamin Smith, '23, B. S., South Hill, Va.

Initiated April 13, 1920:

Kenneth Woolcott Partin, '22, A. B., Wilmington, N. C.
Stuart Lee Billups, '23, Arts, Richmond, Va.

Varsity baseball is now in full swing, and Richmond College has a very promising team. Snead, a pledge, having won his letter in both football and basketball, has landed a regular berth on the baseball squad. He is not only a cracking good pitcher, but also a good fielder and hard hitter.

Captain H. C. Spencer is in good condition for the track team.

Just now every eye at Virginia Alpha is turned toward the boat trip down the James, May 3rd. We expect a few of the alumni with us on this trip, as it will probably be the last big event for the chapter this year. The "Sig Eps" have been well represented at all of the cotillion club dances this year.

Since our last letter we have had many visiting brothers with us, including F. G. Louthan, R. N. Stephens, C. M. Hull, George Parish, Raymond Garcine, Tom Pearman, Bob Gayle, and M. C. Billups, alumni of this chapter, and Emmet Lot, N. C. Beta.

WEST VIRGINIA BETA**WEST VIRGINIA UNIVERSITY****Chas. F. Rugh**

Everything is running smoothly at West Virginia University, especially with West Virginia Beta. We are at present looking forward to the close of the session.

We take pleasure in introducing:

Initiated February 16, 1920:

Oscar Fred Arthur, Engineering, '23, Weston, W. Va.
Irvin Ross Lytle, Agriculture, '23, State College, Pa.
George Oscar Mullan, Agriculture, '23, Piedmont, W. Va.
Chalmer Lewis Cooper, Engineering, '23, Parkersburg, W. Va.
Sidney Lamont McGee, Engineering, '22, Parkersburg, W. Va.
Lee Douglas Tobler, Engineering, '23, Martinsburg, W. Va.
Delbert Dewey Hamilton, Engineering, '23, Richwood, W. Va.
Eugene Henry Moyle, Engineering, '23, Elkins, W. Va.
James Edward Mayfield, A. B., '23, Middlebourne, W. Va.

In the Inter-Fraternity basket-ball league we were nosed out of the pennant by the K. A.'s in the final and deciding game by a score of 20 to 17. D. C. Graham and J. E. Mayfield were the most dependable men on our team.

Paul Parker showed up well on Varsity basket-ball this past season.

We succeeded in staging a formal dance at our house on January 17, 1920. It was a brilliant affair, and all reported a fine time.

Albert Laas was elected to membership in Phi Beta Kappa. He also had the highest grades in the Law School last semester. Rufus Glenn Lazelle had the highest grades in the Engineering School last semester, and was admitted to Theta Psi.

West Virginia Beta was second in scholastic standing among the fraternities for the last semester. This speaks well for our Chapter. We hope to make it first this semester.

Keith McClung, from Washington and Lee University, is with us this semester. We are indeed glad to have him.

Joseph V. Harrick and Eugene A. Grow have won considerable fame with their work on the mat this season. Track work is now in full swing, and from indications we should have a good team. H. J. Easterday is sure of a position in the University Relay Team, and R. G. Lazelle is also showing up well in the dashes. In Baseball we will be well represented this Spring by J. V. Harrick, R.

S. Widmeyer, J. E. Mayfield, O. F. Arthur, and I. R. Lytle. J. V. Harrick in left field and I. R. Lytle at shortstop have played in all Varsity games so far this season. It looks like a great team for West Virginia. We also have a fraternity team which will represent us in the Inter-Fraternity baseball league. F. W. "Bud" Robey is manager.

Our loss by graduation this year includes David M. Johnson, Robert D. Harmon, Gratton M. Daugherty, Herbert S. Boreman, Theodore V. Broadwater. These men are loyal Sigma Phi Epsilons, and their places will be hard to fill.

ILLINOIS ALPHA

UNIVERSITY OF ILLINOIS

F. M. Condit

Every Illinois Alpha man is happy today, Sunday, April 25; for last night was a date that shall ever be recorded in the history of Illinois Alpha. It was the night of our Third Annual Installation Banquet. The inspiration which this banquet gave to our first year men was worth a hundred times the cost of the affair. "Art" Gottschalk, "Tom" Lowery, "Kisby" Henkes, and "Ken" Miller, all of Springfield, were with us. A full account of the banquet will go into the "Sig Ep Indian," which will be published again on or about May 25. Our Alumni are planning to care for the expense of the next issue.

We wish to introduce:

Initiated April 11, 1920:

William Henry Hyslop, A. M.

Initiated April 21, 1920:

Russell McCulloch Story, Ph. D.

Brother Hyslop is an instructor in Physics and is writing his doctor's thesis. Brother Story is Associate Professor in Political Science. Illinois Alpha has had Dr. Story in mind for a number of years. He just returned from Russia last year; so we made up our minds to get him, and we did it. Brother Story is a member of the Illinois Board of Trustees, and is an authority on Russian affairs.

The officers for the ensuing year are: A. G. Mathews, President; C. H. Bartlett, Vice-President; V. B. Neiswanger, Secretary; J. F. Martino, Treasurer; F. M. Condit, Historian; M. L. Nordgren, Guard, and D. B. Esmond and J. L. Schureman, Marshals.

Brother Neiswanger's summer address will be 621 Washington Street, Washington, Iowa.

It can be safely said that the year 1919-1920 is the best year that Illinois Alpha has ever witnessed. We hope that our sister Chapters have prospered as well as we.

COLORADO ALPHA

UNIVERSITY OF COLORADO

Chester Schrepferman

With the third quarter of the year well on its way, we find $\Sigma \Phi E$ still progressing, and keeping pace with the University activities. We suffered the loss of three brothers at the end of the winter quarter, but the return of two pledges has partially refilled our ranks.

On the night of April 9, 1920, at which time the District Formal was being held in Denver, the Fraternity suffered a great loss when Brother Ray Sherman, Colorado Alpha, was killed in an automobile accident. The funeral of our deceased brother was held from the Chapter house on April 13, 1920.

In the activities on the "Hill" we feel that we have been well represented, especially in athletics. Colorado University won the conference basket-ball pennant for the third consecutive time, and $\Sigma \Phi E$ was represented by R. S. Bell, V. Williams, J. S. Brown, and C. M. Schrepferman, the latter being captain. Brother Brown was given the unanimous choice for all-conference guard. In the Inter-Fraternity basket-ball league the $\Sigma \Phi E$'s got off to a poor start, but when once warmed up easily "walked off" with the championship, due largely to the efforts of the Williams family and Brother Bell. As a result we have another new cup in our trophy case. The intra-mural track meet is to "come off" soon, as well as the playing in the Inter-Fraternity baseball league, and we figure our chances as good in both events. On the track squad we shall be well represented by Hansen, who recently won the conference cross-country run over a field of thirty-three runners; J. L. Zaroni, P. R. Oldenburg, and C. M. Schrepferman. On the baseball squad we have J. S. Brown, J. S. Williams, C. M. Schrepferman, and Pledge Morris. Brown has been elected captain of the basket-ball team for 1921. On the other side of activities we have Walbridge, a charter member of Phi Beta Pi Medical Fraternity, F. A. Jennings, H. J. Williams, and A. A. Hansen pledged to Sigma Tau. The Chapter is now turning its eyes to the annual picnic to be held June 12 to June 13, and all the brothers anxiously await the day when we'll be "off" for Ccpeland Lodge.

In closing at this time Colorado Alpha wishes to extend a hearty welcome to our newly established Chapter, Oklahoma Alpha.

It is also our privilege at this time to introduce:

Initiated on April 5, 1920:

William Acel Alexander, Arts, Denver, Colorado.

PENNSYLVANIA DELTA UNIVERSITY OF PENNSYLVANIA**Ernest H. Chapin**

With the summer vacation only at arm's length, Pennsylvania Delta feels that the year has been a very successful one in every respect. At the beginning of this term the three weeks of rushing season displayed the fine material in the Freshman Class, and we think that we have eleven of the best on the campus.

We wish to introduce:

Initiated March 28, 1920:

Jean Carlisle, Wharton, '23, Providence, R. I.
Horace Bare Conaway, Pre-Med., '23, Philadelphia, Pa.
Joseph Mitchell Hewlett, Jr., Ch. E., '23, Philadelphia, Pa.
William Joseph Hinds, Wharton, '23, Watertown, N. Y.
Herbert Leo Northrop, Jr., Wharton, '23, Philadelphia, Pa.
Paul Arthur Roth, Wharton, '23, Buffalo, N. Y.
John Edward Strain, M. E., '23, Philadelphia, Pa.
Milton Seekings Vine, Wharton, '23, Buffalo, N. Y.
Thomas Wilson Wardle, Wharton, '23, Lansdowne, Pa.
George Felter Wendell, Arts, '23, Honesdale, Pa.
Robert Chase Whitaker, M. E., '23, Philadelphia, Pa.

Our annual banquet, held at the Hotel Walton on March 29, was a great affair, Brother F. D. Watson, Ph. D., Professor in the University, being the speaker of the evening.

Along the line of activities, perhaps the most in-season one would be Mask and Wig's "Don Quixote, Jr.," which is now over, but was considered the best show yet put on by the club.

In this F. H. Weiser and R. J. Conn held parts in the chorus.

Jack Carlisle, Charlie Felton and Al Dagit have been elected to the "Red and Blue" for the coming year, while on the "Punch Bowl" Russ Conn is now on the board, and Al Dagit will hold down the art editor's chair next year.

George Vardy is one of the editors of the "Pennsylvanian" for next year, and, along with Herb Black, is now a Phi Beta Kappa, a great distinction for Pennsylvania Delta, indeed.

The Chapter expects to have a dance in the near future, a regular Spring affair, and everyone is looking forward to it, as the last one held was back in February, during rushing season. Things have come so thick and fast lately that time is way above par. Several of the brothers have been working on the railroad during the strike, and had a lot of good experience, as well as some fun out of it. Most of the engineering students were placed in the

yards and in power plants, all of them being excused from classes during the week of the strike, while some of the others were lucky enough to get jobs "on the road," which were highly enviable positions.

Pennsylvania Delta is making a systematic attempt to get in touch with all of its Alumni, and to further this end is having an Alumni week-end in the near future. We hope that in a short while we will have the correct address of most of the Alumni, and then to keep in closer touch with them by Alumni letters and affairs for them at the house. Any hints on the revision of addresses of Alumni will be heartily appreciated. Our Servicer Record is coming slowly, those not in due to the incorrect addresses.

VIRGINIA DELTA

COLLEGE OF WILLIAM AND MARY

James B. Smith, Jr.

With the close of the term drawing near we find Virginia Delta completing one of its most successful years in every branch of college life. Yet regret that the close of this term we will lose five brothers. However, that leaves us fifteen with which to begin our rushing season next Fall. If our plans mature, as we are confident they will, next session will find us in the finest fraternity house in town.

Virginia Delta is holding her own in athletics, there being four brothers on the baseball squad—V. J. Love, R. J. Parrish (Varsity), H. H. Allen and C. A. Almond. Brother Love is also Captain of the team. R. H. Owen was elected a short time ago as manager of basket-ball for next session. E. F. Burch and William T. Burch are representing Virginia Delta in track and tennis. Brother William T. Burch hails from Drexel Institute and took a good deal of interest in track. Naturally we are expecting him to "walk off" with a few honors at the meet in Richmond.

We are now formulating plans and making a great effort to "pull off" one of the finest and "peppiest" dances given during finals. All brothers who can find it convenient to come will be heartily welcomed.

It gives us pleasure to introduce:

Initiated February 17, 1920:

Edgar Francis Burch, B. S., '23, Leesburg, Va.
Charles Aubrey Almond, B. A., '23, Kenbridge, Va.
Frederic Lettean Engels, B. S., '23, Norfolk, Va.
Jesse Choote Phillips, A. B., '23, Baltimore, Md.

We have recently enjoyed visits from six brothers, B. H. Bridges and H. C. Sommers, Virginia Eta; A. J. Mapp, J. R. Byrd, J. C. James and J. F. Wilson, Virginia Delta.

NORTH CAROLINA BETA**N. C. STATE COLLEGE****J. K. Jones**

To North Carolina Beta this has been a very unusual year; one with a gloomy beginning has come to a most successful termination. We were unusually weak at the opening of this college year, but have been very successful in securing a number of the best men on the campus. As a result we are at present in very good shape, and from all indications we are expecting to open next year with a strong chapter.

We take great pleasure in introducing to the Fraternity:

Initiated February 14, 1920:

William Redmond Mercer, '22, B. E., Tarboro, N. C.

Bruce Pennington Tillery, '23, B. E., Roanoke Rapids, N. C.

Initiated March 27, 1920:

Silas Colin Dougherty, '23, B. E., Asheville, N. C.

William Jesse Everett, '23, B. E., Plymouth, N. C.

Initiated April 3, 1920:

Wilbert James Carter, '23, B. E., Wallace, N. C.

Initiated April 17, 1920:

Cyril Warren Norman, '23, B. E., Plymouth, N. C.

So far this season has been a very successful one for our Baseball Team; and all college activities are back to pre-war standard. We have a number of men interested in various undergraduate activities.

The annual dance is to be held on the night of May 27. We expect to make a gala affair of it. Invitations are hereby extended to all brothers.

In the past few months we have had several visits from brothers passing through Raleigh. We are at all times glad to welcome brothers who come this way.

Send in Your War
Record

OHIO ALPHA**OHIO NORTHERN UNIVERSITY****R. A. Osborn**

As the present college year draws near a close Ohio Alpha finds herself prospering, and prospects fine for starting out next year.

We have seventeen brothers graduating this year, and we regret very much to see them go. They have our best wishes and the hope that they continue their work with great success and with the same fraternal spirit as in the past.

Frank E. Mercer and Wayne M. Trostle finished their work at the close of the winter quarter and have taken positions with the Goodyear Company in Akron. Also John Williams and Herbert Keady have finished their work and are with a bridge construction company at Fort Worth, Texas. These brothers will be back Commencement Week to get their sheepskins.

Lloyd W. Reese, editor-in-chief of the 1920 "Northern," the annual yearbook, has put out the best annual in the history of the University.

Tom M. Freeman and Fred C. Slager represented us in the Mount Union-Northern debate. Brother Freeman has accepted a position with a Beaumont, Texas, newspaper. His position as editorial director of the "Northern Review," the college weekly, has been taken up by Bloom H. Focht.

We regret that Eli Main has left to play professional ball, as his ability as a pitcher was expected to bring great results this year. He has the name of being one of the best, if not the best, college baseball pitcher in the Ohio Conference. He received an exceptionally fine offer and we are expecting some great things from him.

We are represented on the diamond this year by H. W. Hunsicker, L. E. Frisbie, C. D. Farrow, E. E. Buchele and Pledge Wiseman. W. C. Cotner is Student Manager, while "Jack" Randall is Assistant Student Manager.

George Rickard has been elected President of the Y. M. C. A. for the coming year.

We have had pleasant visits from Rev. Clarence Mitchell, R. E. Lowe, L. H. Gardner, and "Tommy" Bartlette. We enjoy these visits and would welcome more.

Ohio Alpha wishes to introduce to the Fraternity:

Initiated October 6, 1919:

Bloom Henry Focht, L. A., '20, Waynesfield, Ohio.

Initiated December 8, 1919:

John Wallace Thompson, Law, '06, Marion, Ohio.

Initiated January 18, 1920:

Roy Monroe Pugh, L. A., '20, Woodsfield, Ohio.

Lloyd William Reese, Education, '20, Vaughnsville, Ohio.

Fred Cletis Slager, Education, '20, Chillicothe, Ohio.

George Andrew Rickard, Science, '21, Cherry Tree, Pa.

Herbert William Keadley, Civil Engineer, '20, Centerburg, O.

Initiated March 21, 1920:

William Winthrop Harmon, M. E., '23, Brooklyn, N. Y.

George Lind Hargrove, M. E., '22, Doylestown, Ohio.

Howard Lewis Davison, Ph. G., '21, Youngstown, Ohio.

George Bowers Rothrock, A. B., '23, Ada, Ohio.

Edward Everett Buchele, A. B., '21, Ada, Ohio.

Charles Stanley Miller, A. B., '22, Ada, Ohio.

Initiated March 29, 1920:

James Vernon Sawyer, L. L. B., '22, Circleville, Ohio.

We have incorporated under the laws of the State of Ohio as the Ohio Alpha Company and are now selling the stock.

INDIANA ALPHA

PURDUE UNIVERSITY

Russell A. Billett

Stewart Field is alive with athletes. Never before has "Old Purdue" seen such active participation in sports. Indiana Alpha is proud to say that she has able representatives in every student and sport activity: She was foremost in the forming of the Inter-Fraternity League, an organization of the Fraternities for competition in sports. Among those who have been instrumental in holding Indiana Alpha in her advanced position are:

E. E. Plummer, night editor of the University publication, The Exponent. Through his vigilance Indiana Alpha is seldom neglected in the news columns. His excellent record has led to his election to the Student Union Committee.

H. H. Hawisher has been initiated into Tau Beta Pi. He is serving on the Junior Promenade Committee. His activity in the University Field Artillery unit led to his promotion to a captaincy.

L. K. Wykoff has distinguished himself as varsity heavy-weight wrestler. He was recently elected to the Student Council.

R. A. Billett has been elected Secretary of the Purdue Y. M. C. A. He has been very active in that organization, having distinguished himself on the Personnel Committee. He is also very active in the military department, holding the office of first lieutenant. H. H. Hawisher and R. A. Billett were both initiated into Scabbard and Blade at the recent Conclave of that Society.

O. K. Zeigler won the conference championship in the one hundred and twenty-five pound class, in the wrestling meet held at the University of Illinois.

T. I. Goldsmith and T. B. McMath won their numerals on the varsity swimming team.

N. C. Dodge and H. A. Baldauf have been very active in all of the sports, both winning numerals in football.

Several of the brothers have been elected to the managerships of the various sports for next year. They are: T. C. Walker, of the minor sports; B. H. Jeup, assistant of the minor sports, and Amos Butner, assistant of the football team.

H. M. Griner has embarked upon his third season as varsity baseball catcher. He is one of the Chapter's most active members, belonging to a formidable number of honorary societies, besides holding the office of Vice-President of the Chapter.

The following brothers will hold the offices of this Chapter next year. H. H. Hawisher, President; L. K. Wykoff, Vice-President; Amos Butner, Secretary; N. C. Dodge and M. A. Franklin, Marshals; F. S. Miller, Guard, and R. Billett, Historian.

The Occurrence of the Junior Promenade and the house party on consecutive days constitute the most important series of social events. We are preparing for the best house party ever given.

We take pleasure in introducing:

Initiated March 31, 1920:

Russell Arthur Billett, '21, Civil Engineering Indianapolis, Ind.
Reginald Bernard Zumstein, '23, Science, LaFayette, Ind.
Paul Martin Ruef, '23, Mec. Eng., Indianapolis, Ind.
Milo Allen Franklin, '23, Mechanical Eng., Lima, Ohio.
Newton Comstock Dodge, '23, Chemical Eng., Wollaston, Mass.

Harry August Baldauf, '23, Agriculture, Indianapolis, Ind.
Initiated April 6, 1920:

Almon Scott Knodle, '22, Mechanical Eng., Indianapolis, Ind.

NEW YORK ALPHA**SYRACUSE UNIVERSITY****Leon E. Myers**

With Easter vacation over, New York Alpha finds herself once more settled down to hard work preparing for the final examinations which will begin about the middle of May. With the last lap of the year rapidly drawing near, the Seniors at the house are only too well aware of the fact that it indeed seems a short time since we first came here.

Since our last Chapter letter we have enjoyed visits from the following brothers: G. S. Sackett, from Dartmouth; W. M. Taylor, from Ohio Wesleyan, and O. R. Caldwell, from California Alpha. Brother Caldwell was playing a leading part in the show, "The Rise of Silas Lapham," which was playing here. We are always glad to greet a visiting brother.

As usual New York Alpha is upholding her reputation in the social line. During the past month we have given three smokers to other fraternities. Saturday evening, the 24th of April, the Chapter house will be the scene of an informal dance, which, judging from the preparations that are being made, we feel sure will be a decided success.

This semester finds almost every man in the house actively lined up with one or more of the various college activities. The basket-ball season, which just recently closed, was one of the most successful that we have had in years. We lost only three games, and they were at the start of the season. J. Conderman was manager of the team. A. J. Decker played on the freshman team. J. G. Frugonne is catching on the freshman baseball team, which leaves Friday night for an extended trip through Pennsylvania. O. C. Anderson has a berth on the Varsity lacrosse team, and M. B. Kissam is out for assistant manager of the team. We are represented on the track team by D. W. Barnes and S. S. Scholpp. Brother Scholpp is also a member of the Varsity debate team which will debate with Pennsylvania. W. H. Abbot was out for assistant manager of the football team during the recent spring practice. S. R. Peabody has been made an associate editor of the daily Orange, and he is also out for assistant manager of the tennis team. G. A. Scobell is out for the tennis team. J. M. Fraser has recently been elected to Phi Delta Phi, an honorary law society. L. S. Nicholson to the Justinian society in law, which is based on a very high scholastic standing. J. M. Fraser is manager of Tambourine and Bones society, which will put on a play, "Say, Uncle," the 17th and 18th of May. G. A. Scobell has a part in the cast and H. A. Martin is in the chorus. We are well represented on the crews this year. R. E. "Tot" Hoople and L. S. Nicholson are rowing on the Varsity. J. Conderman, V. J. Rogers, J. B. Clearwater, and R. E. "Ross" Hoople are rowing on the Junior Varsity, and P. E. Jappe and H. W. Van Ness are rowing on the freshman crew. F. E. Coursen is out for vice-commodore of crew.

VIRGINIA EPSILON**WASHINGTON AND LEE UNIVERSITY****W. M. Tuck**

Since our last letter the numbers of Virginia Epsilon have fought the battle of mid-term examinations, and we are very pleased to report that all the brothers emerged from that strenuous struggle with laurels of victory and resolutions of even greater success in the future.

With the opening of the baseball season we find G. L. Cothran, L. A. Dunlop, and E. S. Credle, Jr., making strong bids for places on the team. This is Brother Cothran's first year, and we are expecting great things of him in the future. He is not only a diligent student, but is a leader in every phase of University activities.

T. M. Stubbs, G. G. Stone, and G. L. Cothran are members of the Washington and Lee Troubadours. We feel extremely proud of them for this because of the excellent record the Troubadours have made and the real exhibition of talent they have been accredited with wherever they have performed.

Another alumnus of Virginia Epsilon has embarked upon the seas of matrimony. This time it is H. J. Blackford, '17, who married Miss Martha Williams at Charleston, S. C., on April 24. Brother Blackford was a student of extraordinary attainments and graduated with high honors and distinction. We extend to him and his bride our sincere congratulations and wishes. Brother Stubbs attended the wedding.

Virginia Epsilon loses by graduation this year only two brothers. They are T. G. Hamilton and T. M. Stubbs.

During the past few weeks we have had the pleasure of enjoying the delightful visits of a number of brothers, including some of the members of the William and Mary and Delaware College teams.

Virginia Epsilon will unveil in Lee's Memorial Chapel during the week of finals a tablet commemorating the valor and heroism of our gallant and chivalrous Rockwell. We have invited one of our distinguished Alumni to officiate on that occasion, and he assures us that we can count on him. We will be glad to have with us at that time any brothers who can possibly attend.

VIRGINIA ZETA**RANDOLPH-MACON COLLEGE****L. H. Williams**

As the session draws to a close Virginia Zeta feels that the year's work has been a success. There have been nineteen brothers in the Chapter, all of whom have taken an active part.

These men have represented the Fraternity in every phase of college activities. On the football squad the Chapter was represented by T. L. Copley, R. Blackwell, and E. H. Valentine; on the basket-ball team by W. H. Lane; in the Richmond College debate by L. W. Diggs, and E. B. Parker and R. E. Garland were the representatives in the State oratorical preliminary. On the baseball team we have W. H. Lane and G. S. Richardson, who bid fair to win the coveted monograms. At this time Brother Lane is leading the team in batting. H. P. B. Rue, W. H. Smith, and E. H. Valentine are also on the squad.

We take pleasure in introducing:

Initiated March 15, 1920:

Ralph Swatts Whittaker, Indianapolis, Ind.

Since the last letter we have had visits from J. A. Chapman, Selden Richardson, W. B. Bowman, S. P. Coe, and L. L. Sawyer, Alumni of Virginia Zeta; and L. B. Smith, C. B. Jones, N. M. Bolton, and E. C. Ashton, of Virginia Alpha.

We regret very much that J. W. Copley, H. I. Bowman, R. E. Garland, and M. F. Parker, who graduate in June, will not be with us next year. We feel this to be a very great loss.

The baseball team made an excellent showing in our first championship game on Saturday when we defeated Richmond College by the score of 7 to 2. We are looking forward to a repetition of our record made in basket-ball this year.

The finals will be held from June 6 until June 9. Both the faculty and student body are endeavoring to make them the best that have ever been at Randolph-Macon.

GEORGIA ALPHA**GEORGIA SCHOOL OF TECHNOLOGY****John W. Mason, Jr.**

The college year is fast drawing to a close, and as we look back over our record for the year we find that this has been one of the best for $\Sigma \Phi E$ at Georgia Tech. The prospects for next year are bright, although we lose five men by graduation.

The founding of the Chapter at Georgia Tech was commemorated on April 1st by a banquet at which we had, as our guests, brothers from Pennsylvania Delta, Pennsylvania Eta, Missouri Alpha, Tennessee Alpha and Alabama Alpha, each of whom gave us talks on conditions at their respective chapters. There were sixty present, and the best banquet we have ever held was enjoyed by all.

We wish to introduce:

Initiated February 13, 1920:

Harry Berrick Lewis, Jr., Commerce, '23, Sanford, Florida.

This Chapter has grown so in the past few years that we find it necessary to get a new house. When our present plans are put through $\Sigma E \Phi$ will have the finest Fraternity house at Tech.

We have had the pleasure of visits from the following brothers from sister Chapters. W. L. Phelps, North Carolina Gamma; W. R. Mercer and V. P. Shepardson, North Carolina Beta; J. R. Eagle, R. Cate and B. A. Bower, Tennessee Alpha; C. C. C. Robinson and N. C. Johnson, Alabama Alpha; M. L. Henry and L. E. Gabriel, Missouri Alpha; J. F. Kiep, Pennsylvania Delta; W. E. Rogers, Pennsylvania Eta, and R. E. P. Ham, Virginia Delta.

In closing we wish to extend congratulations to our newest sister Chapter, Oklahoma Alpha.

DELAWARE ALPHA

DELAWARE COLLEGE

Arthur F. Spaid

Delaware College closed her most successful basket-ball season on February 27. We lost but two games out of fifteen starts, losing one of them to University of Pennsylvania, the National Collegiate Basket-ball Champions, by the score of 27 to 21. Of the five men who won their letter in this sport we claim three—Bayard Carter, captain and guard; Hugh McCaughan, center, and Gray Carter, forward. Brother McCaughan made an enviable record of 79 field goals, or a total of 158 points; while Gray Carter scored 38 field goals and 142 foul goals, or a total of 219 points. It is obvious that a large share of credit in making so remarkable a record goes to Sigma Phi Epsilon.

With basket-ball now history, Delaware is just getting under way in track and baseball. R. P. Kite, track manager, has arranged a heavy schedule, and we are looking to him, J. H. Harper, J. P. L. Wintrup, J. B. France, and R. H. McMullen to gather a goodly share of points in the sprints, broad jump, high jump, and hurdles.

In baseball, with R. H. Carll and Geo. Gray Carter we have a battery that will bear the brunt of most of the games. Bayard Carter is again at first base, and William Stewart is in center field. At third James Robbins is making his debut.

Tennis is steadily growing in popularity, as is shown by the Tennis Club's large and ever increasing membership. James Horty is president of the club and captain of the Varsity team. Other brothers who are making a good showing are Barclay Challenger and John Challenger.

Delaware Alpha gave her twelfth annual dance Friday evening, January 9, in Old College, and it is the best we have ever given.

The next event worthy of mention was the Junior Prom held in the new ballroom of the Hotel du Pont in Wilmington. We were represented on the Prom Committee by George Tonkin, chairman; Joseph Fairbanks, James Horty, and Arthur Spaid.

Bayard Carter "put over" another successful student council dance on February 27, and on April 10 we held our second informal dance of the season. We are now planning for one of our old-fashioned house parties on May 8, which is the evening of the day Delaware holds her annual interscholastic track and field meet. Should any brothers be in this part of the country on that date Delaware Alpha extends a cordial invitation to them to drop in and enjoy the fun.

The Footlights Club of Delaware College staged a combined minstrel and vaudeville show in Wolf Hall Tuesday, March 16. It proved so successful that the "show" is soon to take a week's tour of the State with the college orchestra. In the minstrel chorus we are represented by J. H. Fairbanks, first bass; J. H. Rowan, second tenor, and W. T. Broughall, second bass. H. P. Young made a name for himself in the role of interlocutor. Draper Smith played in "The Original Four String Quartet." James Tilghman was undoubtedly the shining light of the evening when he gave his conception of the Ballet Egyptienne. His costume and dance out-classed anything Cleopatra ever had or did. At the end of the program an all Sigma Phi Epsilon troupe of tumblers, composed of Robert Foulk, Draper Smith, and John France, gave us some real thrillers.

Bayard Carter has been elected into the honorary fraternity, Phi Kappa Phi.

James Robbins is President of the Freshman Class. At the time of our last letter Brother Robbins had not been pledged. This makes five consecutive Freshman Class presidents contributed by Sigma Phi Epsilon.

We wish to introduce:

Initiated February 11, 1920:

John Franklin Challenger, Jr., '23, E. E., Claymont, Delaware.
Joseph Paul Wintrup, '23, A. and S., Wilmington, Delaware.
James Morton Baxter, '23, A. and S., Wilmington, Delaware.
James Ponder Robbins, Jr., '23, A. and S., Wilmington, Delaware.

Herbert Wendell Gray, '23, A. and S., Wilmington, Delaware.
Frederick Johnson Rowan, '23, A. and S., Newark, Delaware.
James Edwin Tilghman, '23, A. and S., Cape Charles, Virginia.
John Butz France, '23, E. E., Wilmington, Delaware.

Initiated February 17, 1920:

Thomas MacDonough Cloward, '23, Eng., Perryville, Maryland.
Frank Downing Strickler, '23, Eng., Wilmington, Delaware.

Initiated March 10, 1920:

Roger Murray, '23, A. and S., Wilmington, Delaware.
Richard Earle Feddeman, Jr., '23, Eng., Millington, Maryland.

Initiated April 17, 1920:

Samuel Patterson Maroney, '22, Ch. E., Wilmington, Delaware.

We received a visit recently from Brother M. L. Thomas, of Penn. State, and trust that more brothers will visit us this Spring.

VIRGINIA ETA

UNIVERSITY OF VIRGINIA

Ernest C. Ross

Mid-term examinations have passed into ancient history. Judging from the post-mortems, the mortality was exceedingly small. Therefore, we should not interpret the shadows that flit across the faces of some of our brothers as the signs of failures, but as indications that they realize that the coming examinations will be their last opportunity for successes.

Since the last writing Brothers William L. "Billy" Phillips and R. J. "Rube" Martin have been our guests. They were here during our "house drive." The Chapter, having been annoyed by the monthly visits of the landlord, has decided to play landlord itself. In the near future we hope to welcome our visiting brothers to "our" house, instead of "the" house.

During Easter week Virginia Eta imported a good-looking quota of Easter queens and was well represented at the dances. After spending a merry week together the parting was sad.

Rosser Forbes, a frequent and an ever-welcome visitor to this Chapter, recently came into the house with a peculiar smile on

his face. We later discovered that Rosser, Jr., had just arrived. Some of the brothers, who have already been out to "rush" the youngster, report that he is some boy.

In bidding adieu to all brothers who are leaving college for good this June we wish them success and hope that they will not forget those they are leaving behind.

ARKANSAS ALPHA

ARKANSAS UNIVERSITY

Clyde Vinson

To the members of the sister Chapter, just installed at Oklahoma A. and M. College, Arkansas extends her heartiest congratulations. The installation was attended by A. C. Clark, C. H. Dorr, W. E. and Nathan Graham, and F. S. Gee, all of whom were loud in their praise of the new Chapter.

Topping the list in grade points, Arkansas Alpha has again proved its title to scholastic honors.

Those who failed to attend our annual dance, on January 23rd, missed a big event. Several alumni returned for the occasion, among them E. H. Henry, H. E. Nunn, J. M. Cook, Jr., S. R. Stout, E. M. Ratliff, E. V. Bird, Sidney Benton, A. C. Clark and E. McC. Gatewood.

C. C. Thomas and Lee Bossmeyer declare that the Glee Club trip this year was a continuous round of ovations. During this trip the Club performed in ten cities, and before "packed" houses. Following the performances, the members were invariably feted.

Ray B. Johnson is our "long-winded" man, as well as our leading "lady fusser and spoofer." He has won a place on the varsity track team among the two-mile runners. Two brothers have qualified as Razorback debaters. They are J. M. Smallwood and Ray Roberts, who have been selected to debate against the representatives of the Southern Methodist University, at Dallas.

Brother Roberts added another feather to his cap when he was selected by the "Ag" Club to represent that body in the interest of the College of Agriculture, at the Conference of Agricultural Students, to be held at Columbia, Missouri, April 5-12.

The Chapter was pleased to have Dean McBrien, our District Deputy, spend a couple of days with us, March 21-22. Brother McBrien is of Nebraska Alpha, but you would never know it, so paternal is his interest in Arkansas Alpha. His visits have been of much benefit to us.

We wish to introduce:

Initiated March 22, 1920:

Thomas Nathan Graham, B. A., '23, Tuckarman, Arkansas.

Marion L. Argo, B. A., '22, Cotton Plant, Arkansas.

Milton Burke Slade, B. S. A., '22, Eldorado, Arkansas.

Roy W. Roberts, B. S. A., '21, Glenwood, Arkansas.

PENNSYLVANIA EPSILON**LEHIGH UNIVERSITY****S. M. Larkin**

As warm weather approaches we find ourselves eagerly looking forward to the holidays.

At the presentt ime Inter-Fraternity basket-ball attracts our attention. We won our first game, and lost the second. We hope our luck will again change, and when the series ends we hope to get a large slice of the bacon.

V. E. Johnson is captain of the baseball team this year, and he is our mainstay in the sport. This is "Swedes" third year in the box for Lehigh, so we expect big things of him. Due to his cool-headedness in the Swarthmore game we won 5 to 2. G. H. Thomas is doing good work at second, and we see no reason why he should not hold down the "half-way marker."

We take great pride in J. H. Alden, who has made Tau Beta Pi. He has become the managing editor of the Brown and White, the college paper. The Epitome board has also promoted him to an editorial position. We predict a great revival in journalism when "Johnnie" leaves college.

Some of the musically inclined brothers have formed a "jazz" band. Our visitors have complimented them highly. They expect to work harder and get some outside engagements before the college closes.

We have also installed a store in the house. The treasurer keeps it (as well as the house). This is quite a convenience to the members, as here is a great variety of candy, etc., in stock.

J. C. Crawford and S. M. Larkin were elected to the Sophomore Cotillion Club. Larkin is also a member of the Phi Club.

We enjoyed having Grand Secretary W. L. Phillips as our guest for a few days. B. H. Rigg, S. A. Kendall, T. H. Liders, W. Barkley, and E. H. Thevenet, of our Alumni, have recently visited us.

In closing we extend a cordial invitation to all brothers to visit us, and our best wishes to our sister Chapters.

Is Your War Record In?

OHIO GAMMA**OHIO STATE UNIVERSITY****Walter S. McLain**

The past few months have been busy ones for Ohio Gamma. Inter-Fraternity baseball is again upon us, and we have started the season with an 11 to 0 win at the expense of Acacia. On the Varsity we are represented by M. H. Phillips, P. W. Porter, and K. B. Wiggins. In tennis this Spring we are represented by three men. On the Glee Club W. J. Jenkins, J. R. Jones, and P. W. Porter are the harmony sharks.

Friday, April 16, our annual "shimmie-fest" was held at the Deshler Hotel, and proved to be a most enjoyable affair. Brothers J. H. Rutter, O. B. Smith, O. L. Middleton, and H. T. Townsend, of Ohio Epsilon, were present, as well as many alumnae and guests. Our annual banquet will be held Saturday, May 1, at the Chittenden Hotel.

Early Saturday after the dance our own W. L. "Billy" Phillips hustled busily into our midst for a short stay. We sure were pleased to have him with us, and trust he doesn't forget our address in the future.

All the fellows are impatient for the completion of our new home on East Woodruff Avenue. Scarcity of labor and material has been a setback in the past, but the work is now being carried on as fast as possible.

Editors and managers, other than "Sig Eps," are rather scarce here, as we hold practically all the important positions in these lines. P. W. "Phil" Porter, of the Lantern staff and Makio, was recently elected to the Sigma Delta Chi, honorary Journalistic.

Our first initiation takes place in the next two weeks, so most of us are taking the kinks out of stale arms in preparation for the event.

We were greatly and agreeably surprised early this month to receive a visit from J. W. Taylor, C. W. DeMond, and C. A. Lloyd, of New Hampshire Alpha, who were here with the Dartmouth Glee Club.

Two weeks ago saw the initial appearance of the "Ohio Gamma Record," our own dope sheet, of which E. J. Wind is editor and J. E. "Abie" Pryor circulation manager. Its success is assured judging from the responses and endorsements of our Alumni.

New Directory This Year

VERMONT ALPHA**NORWICH UNIVERSITY****W. W. Locke**

"Northfield-on-the-Dog" finds our little gathering of "Sigs" submerged in gloom. The old smiles, the merry laughs, and the happy gatherings here and there have been replaced by sullen and sad boys discussing Mechanics, Geology, Economics, and many other subjects which are being served up to us on black trays at this the most trying time of the year, MIDYEARS. Brain matter is in evidence with groups around the card tables, checker-boards, or chess table, all criticising this or that move, and yet knowing no more about the game than a new-born babe playing poker.

Once more the Vermont Alpha Chapter takes great pleasure in introducing new brothers:

Initiated January 17, 1920:

Winthrop Harold Bowker, '23, Brookline, Mass.

James Francis Moriarty, Jr., '23, Fitchburg, Mass.

At the District No. 1 Conference at Boston, Mass., November 30, 1919, we were represented by C. H. Wells, chairman for the Conference, and W. W. Locke. Both brought back some good points to the Chapter.

Vermont Alpha is at the top in the college activities. Milo Beach is manager of the track team and also on the wrestling squad. S. V. "Tubby" Clifford is manager of the Glee Club. It is admitted that the Glee Club would be a failure were it not for the services of F. S. "Ike" Whelton, the all-around comedian, and Chauncey Wells. R. E. Edwards was awarded an "N" in football. A. G. "Maj" Olsen, assisted by H. F. "Blondy" Douglass, are holding down important seats in Summary Court.

H. E. Crane, J. M. Washburn, and M. C. Woodbury have left us for weird and daring exploits into the "terrible outside world."

ALABAMA ALPHA**ALABAMA POLYTECHNIC INSTITUTE****W. C. Brice**

It is not without a feeling of regret and sadness that we write the last Chapter letter of the college session. Since our last letter events of vast and far-reaching moment have transpired.

We wish to introduce:

Initiated January 25, 1920:

Edward Harrison Wingate, Jr., Mechanical Eng., '23, Birmingham, Ala.

Oliver Glenn Bruner, Pharmacy, '21, Fort Deposit, Ala.

Carl Sellers Fudge, Mechanical Eng., '23, Huntsville, Ala.

LeRoy Page Spoon, Elec. Eng., '21, Charlotte, N. C.

Initiated March 21, 1920:

Bennett Huffman Burks, Pharmacy, '20, Rockford, Ala.

Our second term exams. are over, and we are resting on our arms. The boys stood to their guns like men. The scholastic standings for the different fraternities have not been compiled yet, so we are unable to say just how we rank. We are somewhere near the top, however, as our grades are higher this year than last, and we were near the top at that time.

W. W. Terry is our only representative at present on the Glee Club. It has recently been our pleasure to receive visits from E. P. Langenham and J. F. Newell, of Michigan Alpha. Both were members of the University of Michigan baseball team, which played Auburn. The first game ended in a tie, 1 to 1; the second in a victory for Auburn, 4 to 3. We also received visits from C. F. Turner and J. W. Asbury, of Georgia Alpha, and members of the Georgia Tech baseball team, the former being captain of the team. W. J. Ross and C. C. Robinson also paid us visits recently.

Since our last letter we have elected the following officers: President, T. H. Burton; Vice-President, J. K. Bullock; Secretary, C. S. Howard; Treasurer, L. P. Spoon; Historian, V. C. Tamplin; Guard W. W. Terry.,

U. C. Johnson represented us at Georgia Alpha's annual banquet held in Atlanta. He reported a splendid time and returned full of renewed enthusiasm for the interest of Sigma Phi Epsilon.

A. K. Wood and C. M. Gray have the honor of being charter members of the Eta Kappa Nu, an honorary electrical engineering fraternity.

We are waiting for the Inter-Fraternity baseball season to open and will make a strong bid for the cup this season.

The closing of this term marks through graduation the departure of F. U. Leonard, C. M. Gray, J. M. Oliver, W. C. Brice, H. S. Genius, A. K. Wood, N. C. Johnson, W. G. Fowler, B. H. Burks, and A. J. Phillips. These men during their college career have done innumerable things to make them worthy of Sigma Phi Epsilon, and we are sure that they will meet with the success which we all wish them.

NORTH CAROLINA GAMMA**TRINITY COLLEGE****Marcellus S. Cameron**

North Carolina Gamma announces the following new members:

Initiated February 14, 1920:

Samuel Edward Marsh, Academic, '22, Belhaven, N. C.

John Peter Rascoe, Academic, '23, Windsor, N. C.

Initiated March 27, 1920:

Henry Byron Hicks, Pre.-Med., '23, Rockwood, Tenn.

George Clair Tudor, A. B. '23, Winston-Salem, N. C.

Lloyd James Skidmore, A. B., '22, Norwood, N. C.

We believe these men will make worthy Sigma Phi Epsilons. They have already done much in the interest of the Fraternity.

The prospects are very good for the State championship in baseball. From our Chapter W. R. (Bill) Minshew represents us on the Varsity team. T. A. Banks is one of the assistant managers of baseball.

We are represented on the Varsity tennis team by C. W. Hackney. Although the tennis season has opened just recently, we have been successful in winning one tournament.

The social activities of this Chapter have been normal. Our annual dance will be given this year jointly with North Carolina Beta. We are also planning a house party, which will begin June 14 and last until June 21. According to the program which is being arranged, this promises to be the most successful social event in the history of our Chapter.

We regret very much that A. L. Sheider has left college, but he is in the automobile business here in Durham, and will still be a great help to the Chapter.

Several visits have been paid us by brothers from other Chapters. Among these were J. L. Parker, New York Beta; E. S. Credle, Virginia Epsilon, and several from North Carolina Beta.

NEW HAMPSHIRE ALPHA**DARTMOUTH COLLEGE****J. V. Wilkie**

In our last letter we were able to announce alterations to the interior of our house. Since then we have done still more, and we expect shortly to have our first meeting in the most unique Chapter room to be found at Dartmouth. The room was designed

by Paul J. Halloran, and the work was done under his supervision. Much of the construction work was done by the active members of the Chapter.

We held our annual initiation banquet on February 28, 1920, at the Hotel Rogers, Lebanon, N. H. V. C. "Vic" Smith acted as toastmaster for the occasion. Among the Alumni of the Chapter Nason and W. W. Locke, of Vermont Alpha, and H. P. Quadland, "Hunc" Stillman, now of Nashua, N. H., and R. H. Kelley. L. H. J. J. Lyons, W. S. Beauregard, and H. L. Collins, of Massachusetts present were Professor Husband, Associate Dean of the College; Alpha, were also present.

We take pleasure in introducing to the Fraternity:

Initiated February 18, 1920:

Albert Thomson Lyon, Barre, Vt.
Frank Leroy Livermore, Brooklyn, N. Y.

Initiated February 25, 1920:

Roger Conant Carleton, '23, Milford, N. H.
Ira Milburn Dixon, '23, Buffalo, N. Y.
William Mills Henry, '23, Buffalo, N. Y.
Wilbur Stanislaus Daley, '23, Hamilton, Mass.
Dwight Luther Granger, '23, Randolph, Vt.
Nathan Whitney Watson, '23, Oak Park, Ill.
Philip Joseph Keigher, '23, West Orange, N. J.
John Harkins, '23, Jamaica Plains, Mass.
James Walker Dodge, '23, Manchester, N. H.
Cecil Fitzhugh Gordon, '23, Washington, D. C.
John Wood Gordon, '23, Belle Vernon, Pa.

Initiated February 27, 1920:

George Robert McKee, '23, Montpelier, Vt.

We have reason to believe that each one of the men will become a leader in some college activity, and thus prove himself a help to our Chapter.

H. Lincoln Miller was manager of the wrestling team, which, having survived its first season, is expected to make itself more widely known next year. We were represented on the squad by W. W. Cummings, C. E. Suttmeier, and W. M. Henry.

During the Easter vacation our musical clubs made a trip as far west as Chicago, giving eleven concerts in cities along the route. C. A. Lloyd, C. W. Demond, and J. W. Taylor accompanied the clubs. Our Dramatic Club recently made a tour of the New England States, and presented the popular Dartmouth musical comedy, "Oh, Doctor!" W. G. "Bill" Haas was the veteran chorus lady of the production, and C. A. Lloyd and C. W. Demond played with the accompanying orchestra.

Our baseball season opens shortly, and we hope to have the pleasure of entertaining some of our brothers who are members of visiting teams. We will be represented on the baseball squad by H. R. Campbell.

On April 23 our two graduate schools held their graduation exercises. Victor Smith, '17; Harold Ingersoll, '17, and Paul Hal-loran, '19, received their C. E. degrees from Thayer School of Civil Engineering. Don C. Bliss, '18, received the degree of M. C. S. from the Amos Tuck School of Administration and Finance. We regret very much that this results in the departure of these brothers.

During the past few weeks "Cherry" Dodge, '10, of Massachusetts Alpha, has had a crew of men working on the trees around town, and has spent quite a bit of time with us. Irving Osgood Scott, '10, of our Chapter, has also been in Hanover for a rest. He is acting as a vocational adviser for the the Boston Educational System. We also have been visited by C. C. Lake, who is the as-sistant employment manager for the Goodrich Tire Company.

C. A. Lloyd was recently elected to the Arts Society. Charles Sargent is one of the charter members of a new chemical society called Delta Chi Sigma.

W. Carl Davis has spent the past five weeks in the Mary Hitchcock Hospital, but we are glad to say that he has passed the critical period and is now well on the road to recovery.

D. C. ALPHA

GEORGE WASHINGTON UNIVERSITY

J. H. Lapish

As the college year draws to its close District of Columbia Alpha can look back with gratification on a year that has been most successful. The new brothers have proved themselves worthy of membership in Sigma Phi Epsilon.

In the class and society officers Sigma Phi Epsilon is well represented. One of the brothers is President of the Junior Class, and five other hold offices in the various classes. In the Engineering, Architectural, Chemical, and Alchemist Societies the presidents are all Sigma Phi Epsilons.

E. P. Henderson has been running on the relay team all winter, and V. C. Cruickshanks and C. J. Owens will have places on the baseball team.

J. M. Boardman is without an equal in debating, having been awarded first honors in his first intercollegiate debate.

It is with great pleasure that we introduce:

Initiated March 14, 1920:

Benjamin Smith Foster, Arts, '23, Arkadelphia, Ark.
Edward Burnett Lawson, Arts, '22, Washington, D. C.
James Edison Stretch, Pre.-Medical, '23, Washington, D. C.

On March 17 we held our annual installation banquet in the Oak room at the Hotel Raleigh, and it was one that will long be remembered by all those who were present. Brother W. L. Phillips, Grand Secretary of the Fraternity, was with us that evening, and his talk was very interesting and helpful.

J. W. Townsend was elected to the Pyramid Honor Society. This society is composed of Juniors and Seniors, whose scholarship is good, and who have taken an active interest in University affairs.

At a special election held recently B. L. Clark was elected to the Student Council.

The following officers were elected for the coming year: G. L. Bowen, President; H. L. Strang, Vice-President; L. D. Whitaker, Secretary; A. L. Lanigan, Treasurer; J. H. Lapish, Historian; C. M. Godfrey, Guard; J. M. Boardman, E. B. Collins, Marshals.

Junior week this year was held the third week in February, and it was without a doubt the greatest social event of the year. Three Sigma Phi Epsilons, C. M. Godfrey, C. W. Schoffstall, and J. H. Lapish, served on the committee and helped to make the event one that other Junior classes will have to strive hard to equal.

KANSAS ALPHA

BAKER UNIVERSITY

Cecil W. Sturgeon

Kansas Alpha extends greetings and congratulations to Oklahoma Alpha. We feel that much mutual good will result from the association of the two Chapters, and the new Chapter has our best wishes for a big future.

This time finds us very busy in the usual close of the college year rush. However, no one is too busy at any time to work for the best interests of the Fraternity.

We are pleased to introduce:

Initiated March 2, 1920:

William Warren Littrell, '23, Arts, Waverly, Kansas.
Chester Henry Bruce, '23, Arts, Kansas City, Kansas.
John Cavil Archer, '23, Arts, Hiawatha, Kansas.
Ernest Clifton Hull, '23, Arts, Baldwin, Kansas.
George Frederick Galloway, '23, Arts, Burton, Kansas.
Irwin Cartwright Landrum, '23, Arts, Kansas City, Mo.
Donald Elsworth Pardee, '23, Arts, Baldwin, Kansas.

Initiated March 25, 1920:

Harold Ryder Harvey, Professor of Violin, Baldwin, Kansas.

Initiated March 27, 1920:

Halbert Wesley Nye, '23, Arts, Osborne, Kansas.

Henry Marks Evans, '23, Arts, Topeka, Kansas.

Walter Harrison Spears, '23, Arts, Baldwin, Kansas.

Warren Cyrus Rice, '23, Arts, Hiawatha, Kansas.

Initiated April 20, 1920:

Clarence Albert Rogers, '23, Arts, Smith Center, Kansas.

Charles Paul Thorniley, '23, Arts, Admire, Kansas.

Paul Wesley Britton, '23, Pleasant Hill, Mo.

We can assure the Fraternity that these men are worthy in every respect to wear the heart. Every man is a hard worker, and the graduates this year feel that the Chapter will remain secure.

The prospect for next year is unusually bright. On January 30th and 31st a number of high school men were entertained at the Chapter house, and four good men stated their intention of entering Baker next fall. M. M. Clonkey and P. W. Britton have been very active in the interest of the Fraternity as members of the University Glee Club, which made a two weeks' tour of Kansas and Missouri in March and is now on a week's tour through Kansas. Through the efforts of these two brothers $\Sigma \Phi E$ is assured of three fine men for next year.

In summer athletics we are represented by R. G. Nevins, E. E. Johnson, and W. H. Spears on the Varsity nine, and by C. A. Mitchell and M. M. Clonkey on the track. Mitchell is a consistent winner of the two-mile. F. W. McDonald has been made manager of the track team. Without doubt Baker will win the Conference meet held the last week in May.

Kansas Alpha entertained on May 1st and 2d in honor of the mothers of the members. The visit of the mothers was greatly enjoyed by the Chapter.

On May 19th will be held our annual spring party, to which we are looking forward with a great deal of pleasure.

During the first week of April Kansas Alpha was honored by a visit from the Grand Secretary, William L. Phillips. We are always glad to have Brother Phillips with us, and like nothing better than a conference with him.

Many of the brothers attended the Kansas City Alumni Association reunion in Kansas City April 24th.

Several of our Alumni have visited us recently, and it pleases us to know that they still remember the old home. We extend a hearty invitation to all the brothers to visit us at any time. On

Saturday evening, May 29th, will be held Kansas Alpha's annual stag banquet. At this time we plan to have a large number of Alumni with us. We extend an invitation to members of our sister Chapters. The date is May 29th and the place is Baldwin, Kansas.

CALIFORNIA ALPHA

UNIVERSITY OF CALIFORNIA

Phil B. Beggs

The year 1919-20 for the University of California will come to a close in a week hence, with California Alpha ending one of its most successful seasons. With the many improvements on our new house, such as a hardwood floor, an open fireplace in the den, music room, etc., the other Fraternity houses on the campus can well afford to feel envious of California Alpha.

We wish to introduce:

Initiated February 1, 1920:

Phil Berg Beggs, '23, Pre-Legal, San Jose, California.

Cyril Charles Frost, '22, Agriculture, San Jose, California.

Earl Thompson Conrad, '22, Letters and Science, Santa Barbara, California.

Herbert Edwin Goodpastor, '23, Architecture, San Francisco, California.

Preston Beale Wand, '21, Letters and Science, San Francisco, California.

Initiated March 8, 1920:

Louis Fink Boerner, '18, Elec. Eng., Atascadero, California.

Five of these men are direct from the service. Brothers Conrad and Beggs from the army of occupation in France, Boerner and Wand in the aviation, while Brother Frost received a commission in the field artillery. Brother Goodpastor is a graduate from a local high school, in which he took a prominent part in athletics.

The house has had an exceedingly fortunate year in athletics. H. P. Corley and G. H. Slack making their numerals in Freshmen track; H. E. Goodpastor and G. S. Reed, Freshmen swimming; F. R. Wilson and E. T. Conrad playing ball on the Freshmen team, and H. R. Holtz received his "block" in Varsity swimming.

Clare Jury has been appointed assistant editor of the Blue and Gold, the annual publication of the University of California, the largest university in the world.

California Alpha held two successful dances this semester. The first, an informal affair, in honor of the pledges was held in the early part of the semester; while the annual house formal was given across the bay in San Francisco at the Hotel St. Francis during the last month. Both are vouched for as being the two best "hops" California Alpha has ever held.

Two banquets were also held, one by the class of '23 and the other by the whole Chapter, at which times several Alumni honored us with their presence.

Allyn Smith, '16, paid us a visit recently on his discharge from the army. He is at present in business in San Francisco.

Ed. C. Bennett, West Virginia Beta, stopped off to greet the boys on his way to Alaska with the United States Geodetic Survey Service.

NEBRASKA ALPHA

UNIVERSITY OF NEBRASKA

Robert C. Russell

Nebraska Alpha is on the last lap of one of the most successful years in its history. But before we tell you about it we wish to introduce the following:

Initiated March 14, 1920:

Larry Dewey Rider, Medicine, '23, Lincoln, Neb.
Benjamin Alexander Dennis, Dentistry, '23, Uni. Place, Neb.
Dewey Oscar Swanson, Dentistry, '23, Holdredge, Neb.
John Tyner Barr, Engineering, '23, Lincoln, Neb.
Bert McClellan Hammond, Dentistry, '23, Holdredge, Neb.

At the beginning of the second semester we were successful in pledging two real men whom we feel sure will more than be credit to Sigma Phi Epsilon.

F. D. Carman and Pledge Wenks have been initiated Iron Sphinx, honorary sophomore society for the coming year. M. L. Van Horne has been initiated Gamma Lambda, P. D. Marshall Phi Delta Phi, and Harold Bedell Alpha Chi Sigma. Dwight Bedell has been elected President of the University Commercial Club; P. M. Parker, Vice-President of the Nebraska Chapter of A. A. E.; H. S. Delano is news editor of "The Pulse," and G. V. Grubb is writing some twenty-five pages of the "Cornhusker Annual," aside from being senior managing editor of the "Awgwan" and leading his orchestra.

Our annual dance and banquet were held March 12 and 13, and both were real "Sig Phi Ep" successes. The dance is being talked about yet, and the banquet will never be forgotten. Forty of the active chapter and twenty-seven alumni were present. Plans for a house fund were discussed, and we are now incorporated in the Sigma Phi Epsilon Building Association; so it is only a matter of a short time until Nebraska Alpha can be numbered among those Chapters owning their home.

In athletics we are justly proud of our record. J. C. Pickett has been elected captain of the baseball team, and at least two other brothers will make the team. J. C. Pickett, Hussey and Russell gathered the coveted "N.'s" in basket-ball. Two football "N's" were also ours. In track F. G. Dale is doing wonders with the weights, and D. E. Harper and C. Potter are burning the cinders all over again in the distances. E. G. Cressell, although not eligible for Varsity, is setting a merry pace for all competitors in the middle distance. Pledge Layton is a comer in the dashes and jumps.

The Inter-Fraternity baseball championship will be decided within the next month; that is, the required games will have been played. The skin is already ordered, an exact duplicate of the one for last year, except the date. Thus we go on enlightening our walls. The inter-frat track meet will also be run off within the next month, and our two "red heads" (Brother Cressell and Pledge Layton) tell us to leave that to them and play baseball.

Among the Alumni who have dropped in on us recently are R. V. Koupal, Sam Chamberlain, Dr. J. F. Purney, Dwight Putman, W. A. Johnson, Swede Andrews, Art Balis, C. B. Scott (Grand Guard), and last, but by no means least, we enjoyed a very pleasant visit with our Grand Secretary, William L. Phillips.

WASHINGTON ALPHA

WASHINGTON STATE COLLEGE

L. C. Boggs

With the coming of track season Washington Alpha will again represent Washington State College in a good percentage of the events. We will have "Jit" Smith, captain of the team, in the distances; E. W. Durrwachter, Carl and Ray King in the weights, and Brother Jenne in the jumps and pole vault. If E. I. Jenne's ankle, which was broken in football season, does not interfere, he will very probably represent Washington State College in the Olympic games. Last year Jenne was consistently vaulting around the twelve feet six inch mark. C. H. Smith has also announced his intention of trying out for the Olympic games. He holds the Northwest record in the two mile.

Last week Washington Alpha carried away the honors in the Inter-Fraternity track meet. E. W. Durrwachter was high point man. He took first in the shot-put and broad jump and second in the discus.

We now have three of the five captains of major sports. Fred Hamilton is captain of next year's football team, Milo McIver of next year's basket-ball team, and "Jit" Smith of this year's track team.

In other campus activities we have Carl King, president of the Senior Class, and Ernest Henry, business manager of the Evergreen. E. I. Jenne replaces H. O. Lisle as president of the Y. M. C. A. L. C. Chamberlain is one of the editors of the Glebe, new State college literary magazine, and Pledge Austin is a member of the business staff. Brother Chamberlain is also a newly initiated member to the Scribblers, local honorary for members of the Evergreen and Chinook staffs, and is a charter member of the Chapter of the American College Quill Club, which is to be installed here soon. V. V. Ewing and J. B. McNamara are our representatives in Scabbard and Blade.

Brothers V. V. "Gotch" Ewing and L. C. "Shorty" Boggs are the proud possessors of Gray W's, which they just won in wrestling. With these two new letter men we now have a total of nine "Sig Ep" letter men in Washington Alpha.

It is not only in these activities that we are well represented on the campus as we are also ranking well up scholastically. We ranked second in college groups in the results recently issued by the registrar.

Brother "Clem" Phillips, who graduated in '19, is a new "Prof." in the dairy department of the institution.

On May 30 the Fraternity is paying tribute to our brothers who died in the war. A plate with the names of the men who died will be placed over the fireplace. On this week-end all of the old "grads" and members of our local Beta Alpha will be back, and those who have not already been initiated will be initiated at that time.

We were glad to welcome Raymond Harsh, of D. C. Alpha, who is now at the University of Idaho, and gets over to see us every once in a while. Lloyd Scott, of Kansas Alpha, is now teaching military here.

It is with great pleasure that we introduce:

Initiated December 7, 1919:

Henry Martin Walker, Agri., '21, Tacoma, Wash.

Initiated February 8, 1920:

John Surman Gray, Agriculture, '23, Hooper, Wash.
Douglas Elmore McKenna, Agriculture, '23, Ritzville, Wash.
Herbert Earl Warring, Economics, '23, Kent, Wash.
Eardly William Glass, Electrical Engineering, '23, Lamona,
Wash.
Arnold Ellwart, Agriculture, '21, Pullman, Wash.

MASSACHUSETTS ALPHA

MASS. AGRI. COLLEGE

Joseph E. Evers

After a well spent vacation Massachusetts Alpha comes back for the spring term full of "pep" and anxious to finish the school year at top speed.

We are glad of the opportunity to introduce:

Initiated January 19, 1920:

Philip Berry Dowden, '23, Sandwich, Mass.
Donald Briggs Alexander, '23, Boston, Mass.
Howard Baker, '23, Marshfield, Mass.
James Gordon Tarr, '23, Everett, Mass.
Joseph Howard Burbeck, '23, Peabody, Mass.

With almost a veteran team, the prospects for a successful baseball season are especially promising. Massachusetts Alpha has "Bill" Glavin, Jack Carleton, "Hubba" Collins, and Jack Coombs on the squad. Both Brothers Collins and Carleton are veterans of last year's team, and by all indications we should have at least three men on the Varsity team. "Hank" Gowdy is assistant manager of Varsity baseball.

"Pete" Cascio, "Oswold" Hooper, Walter Rollins, and "Joe" Evers are out for spring track. Prospects for a good track team this year are exceptionally good.

Spring football has been going on since the third team began and will continue till hot weather sets in. Pete Cascio, Walter Rollins, Tubby Long, Clifton Giles, and George Cotton are working hard to prepare themselves for the Fall season.

Freshman baseball has also started, the team defeating Greenfield High School, 16 to 2. D. B. Alexander catches for the team and Howard Baker plays in the outfield. Phil Dowden has been elected to manage the team.

It may be of great interest to our sister chapters to know that the Honor System has been adopted at the Massachusetts Agricultural College. Much credit for this is due to P. J. Cascio and R. A.

Mellem, who have worked hard ever since their Freshman year in getting the Honor System established at the college. Cascio has been elected to the Honor Council and holds the office of secretary.

C. H. "Hank" Gowdy at a recent election was made captain of next year's basket-ball team.

D. B. Alexander was elected President of the Freshman Class last term. During the Fall he managed the class football team.

George Thompson, '22, has been appointed chairman of the "Soph" Senior Hop Committee.

R. A. "Dick" Mellen attended the annual initiation banquet held April 17 by Vermont Alpha at Norwich, Vt.

NEW YORK BETA

CORNELL UNIVERSITY

G. H. Denton, Jr.

New York Beta introduces:

Initiated February 29, 1920:

Roy William Anderson, '22, M. E., Brooklyn, N. Y.

Alfred Bailys Walton, '22, M. E., Freeport, Long Island, N. Y.

Initiated April 30, 1920:

Albert James Blackwood, '23, M. E., Buffalo, N. Y.

Cornell has high hopes of turning out winning teams this Spring; the prospect is unusually good because of the coaching staff, which is one of the best we have yet had. Gilmore Dobie, the new football coach has started Spring practice. It is the first time in several years, that it has been held at Cornell. I. B. Baugher, J. D. Dunleavy and B. D. Walls are on the squad.

Nick Bawlf is the new lacrosse coach at Cornell. He is a well known Canadian player, and is rounding an exceptional team into shape. B. A. Cunningham, Jr., and T. L. Collum, made the Southern trip with the team. It won three out of four games. W. I. Wilson is also playing on the squad.

The wrestling team was forced to take second to Penn State this year, at the inter-collegiates. T. L. Collum was manager of the team.

The soccer squad is having Spring practice this year. M. H. Forster is assistant manager of soccer and is also playing on the squad, along with R. H. Anderson.

F. I. Righter and A. J. Blackwood are on the freshman track team. Righter went to the triangular meet at Boston on the freshman relay team, and brought back a gold watch from his trip to the Penn relays. Righter is a sprinter ordinarily, but he manages to run a quarter. Blackwood is a high jumper.

B. A. Cunningham, Jr., has been elected to Tau Beta Pi.

C. C. Garside was on the debate team which went to Pennsylvania where they had the misfortune to loose a two to one decision.

We had a very successful Spring house dance.

We are entering a strong team in the Inter-Fraternity Baseball League, captained by J. D. Dunleavy.

W. I. Wilson and C. C. Garside are members of the Janus Literary Club.

J. L. Taylor is chairman of the Law Smoker Committee, and is expecting to organize the best smoker yet held.

In the Inter-Fraternity Bowling, I. B. Baugher received the ball for the highest score.

Every man here has either arrived or is attempting to arrive at a position which will lend prestige to the name of Sigma Phi Epsilon.

MICHIGAN ALPHA

UNIVERSITY OF MICHIGAN

Benjamin H. Hammer

Since our last communication Michigan Alpha has not only successfully withstood the rigors of semester final examinations, but has raised her standard of scholarship considerably, and now stands high on the chart of Michigan Greek Letter Fraternities.

Initiations are usually very pleasant for all concerned. Pleasant for the Fraternity inasmuch as we are welcoming new brothers into our midst. Pleasant for the initiates inasmuch as they finish their period of apprenticeship and now take their places within the portal of Sigma Phi Epsilon. We wish to introduce the following:

Initiated February 28:

Peter Van Domelen, '22, Grand Rapids, Mich.
Basil J. Hackett, '22, Detroit, Mich.
Ralph D. Haviland, '22, Detroit, Mich.
Franklin C. Capon, '23, Holland, Mich.
Kenneth M. Gray, '23, Romeo, Mich.
John H. Wigle, '23, Ford City, Ontario, Can.
E. Page Stockwell, '23, Morenci, Mich.
R. Neil Crane, '23, Detroit, Mich.

Initiated March 29:

Howard F. Donnelly, '20, Geneva, N. Y.
James H. Newell, '20, Yale, Mich.
Lynes F. Baldwin, '23, Greenville, Mich.

With such an excellent addition as the above to our organization Michigan Alpha Chapter is experiencing one of the most prosperous periods in its history.

This year seems to be "off-year" for Michigan in athletics, but as such periods must be expected occasionally we take stock in the future and forget the past. The basket-ball team was weakened, like the football team, by wholesale ineligibility. However, we look forward with confidence to the baseball and track teams. F. C. Cappon played as guard on the "All-Fresh" basket-ball team, as well as fullback on the "All-Fresh" football team. J. H. Joseph is captain-elect of the cross-country team, as well as a distance man on Steve Farrell's track team. C. C. Later, besides high jumping on the indoor track team, will also throw the hammer and javelin out of doors. J. F. Newell is playing first base on the Varsity baseball team. E. P. Langenhan and E. Phenev are playing the outfield.

Inter-athletics have been very popular here this year. Hockey, swimming, and boxing also have been revived or introduced in the University, and will probably become recognized Varsity sports in the near future. Many of the brothers participated in intra-mural sports during the year.

Like intra-mural athletics, inter-fraternity sports have experienced very keen popularity. In basket-ball we reached the semi-finals, but were eliminated in a very hotly contested overtime game. At Michigan, however, indoor baseball is the king of all just now. We have a very likely team and hope to make a strong bid for the silver cup.

Inter-Fraternity athletics have not been the only meeting place of Michigan Fraternities. The Inter-Fraternity Conference has gradually risen to a very commanding position, and today is the popular symposium of fraternal thought and discussion. A very pleasant banquet was held, where two delegates from each of the professional and general Fraternities were present. The pre-war rules of the Conference are again in vogue this year, and are a decided impetus for every Freshman to study.

This semester we lost two worthy brothers through graduation—C. Edson Hardy and Irving S. Ellison. Both were loyal wearers of the heart, and always maintained and upheld the traditions of the Fraternity. R. N. Crane has also left the University in order to prepare for the Annapolis examinations.

Many of the brothers have been initiated or pledged to numerous professional Fraternities: D. B. Darling, Delta Sigma Delta

(dental); G. J. Naylor, Psi Omega (dental); W. V. Cox, Phi Chi (medical); A. G. Bouchard, from Wisconsin Alpha, Delta Theta Phi (legal), and P. Van Domelen, Alpha Chi Sigma (chemical).

The past few months have been busy ones on the campus. The Michigan Union Opera ("George Did It") was a decided success. Irwin T. Sanborn put pep into the opera with his popular Oriental dance. "Sandy" made many of the audience think of the good points of Turkey, and he gained very favorable comment. Men Darling is President of the University of Michigan Dental Society. F. C. Naylor is President of the Sophomore Dental Class. C. L. Longwill and T. H. Miller are assistant managers of the Varsity Glee and Mandolin Clubs, which are now touring the Pacific coast.

The social side of life has not been forgotten. In fact, many of the brethren have blossomed out as tea hounds of the first pedigree. During the past two months we have had the pleasure of entertaining the fair sex at one house party and two house dances. On February 28 an initiation dance was given in honor of our newly welcomed brothers. This was followed by another house dance on April 3, which was also quite a success. However, on Friday, April 9, occurred the Michigan Junior hop frolic. On Friday afternoon the "home-town" girls started to arrive from the many distant points of the United States. On Saturday the house party attended the Michigan Union Opera, and in the evening enjoyed a very pretty formal dance at the house. The hop party broke up Sunday, and as the guests started to leave many a "hopper" breathed deep sighs of regret.

Very pleasant visits were enjoyed from Paul Bowerman and K. W. Lindsay, of New Hampshire Alpha, and from Dr. Frazier, who was a member of the local which became Tennessee Alpha.

Our aim is to maintain and promote the best interests of Sigma Phi Epsilon, not only by a glory in the past, but by a determination to work in the future.

We are proud to know that we may look forward for news from our new Oklahoma sister.

IOWA ALPHA

IOWA WESLEYAN COLLEGE

J. Leonard Feldman

In looking back over our record for the past year, we find that Iowa Alpha has played a leading role in all college activities.

In athletics, we carried off the major honors. In football, four brothers, A. C. Kepler, H. O. Gardner, C. H. Yocum and R. C. Kinsinger were awarded letters. Yocum and Kinsinger represented us in basketball.

Although no track meets have been held as yet, the try-out for places showed our superiority. We seem to have a monopoly on dash-men, as Kepler, Gardner and Kinsinger held down first, second and third in the dashes.

We wish to introduce:

Initiated March 13, 1920:

Sidney Bloomquist, '23, Liberal Arts, Keosauqua, Iowa.
Dale Beard Cornick, '23, Liberal Arts, Mt. Union, Iowa.
Kenneth Albert Swartz, '21, Liberal Arts, Burlington, Iowa.
Arthur Daniel Oxley, '23, Liberal Arts, West Liberty, Iowa.

At the annual election of the Wesleyan News staff, Everett Griffith was elected editor for the coming year. We are now preparing for our annual "formal," which will be given on May 22d.

COLORADO BETA

THE UNIVERSITY OF DENVER

Carlos G. Stratton

Colorado Beta wishes to introduce:

Initiated January 12, 1920:

Raymond Lawrence Atterbury, '23, Liberal Arts, Atlanta, Mo.
Raymond Elmer Trovinger, '23, Liberal Arts, Akron, Colo.
John Clarence Sharpe, '23, Liberal Arts, Monte Vista, Colo.
George Francis Reid, '23, Liberal Arts, Denver, Colo.
Luke Henry, '22, Law, Denver, Colo.

Initiated March 8, 1920:

Oliver Washburn Gushee, Liberal Arts, '23, Denver, Colo.

Senator Francis J. Knauss was "one of the fellows" at the banquet given before the initiation.

We gave a lively holiday dance on January 3d. It was attended by a goodly number of Colorado Alpha and Colorado Gamma men who live in Denver. The Grand President attended this function also.

Colorado Beta is giving a dance for its members on the night of Saturday, February 28.

The largest, most talked of, and widest advertised social affair of the year, the Inter-Fraternity dance, is to be given in El Jebel Temple, Denver, on March 19.

Brother Charles Roth is captain of the University of Denver's wrestling team. We have started down the road to Rocky Mountain championship under his supervision. Brother Roth is one of the best grapplers the Colorado schools have ever turned out.

The various social fraternities of the University of Denver are organizing basket-ball teams. Joseph McBride is captain of Sigma Phi Epsilon's team.

TENNESSEE ALPHA

UNIVERSITY OF TENNESSEE

I. H. Anderson, Jr.

Tennessee Alpha has been exceedingly fortunate of late in having so many old men visit her. Among these were three who are still in the service and all first lieutenants—Lieutenant Joseph H. Gilbreath, C. A. C., who is stationed at Fort Moultrie, S. C.; Lieutenant E. H. Malone, Inf., who is at Camp Funston, and Lieutenant Sam. L. Ellis, A. S., who is a pilot and stationed at Kelly Field. Guy E. Cate is temporarily in Knoxville, having been discharged as a first lieutenant in the Coast Artillery recently. C. S. "Nappy" Keith blew in on us the other day and remained with us four days. We are always glad to see him, but he took a mighty good man away from us. He is sales manager and part owner of the Chero-Cola Company at Tampa, Fla., and J. E. "Johnny" Thornton accepted a position as advertising manager with the same company. We hope and predict success for both of them, and advise any member of our Fraternity who happens to be in Tampa to look them up if they want to meet two enthusiastic "Sig Eps."

Since our last letter our basket-ball team won the Inter-Fraternity championship and was awarded a beautiful loving cup by the Pan-Hellenic Council. This was a great victory for us. The rivalry was keen, and there was more interest shown in this contest than any other scholastic year. We lost one scheduled game, and so did the P. K. A.'s, and in the post-season game we were victorious by a score of 19 to 10.

We have been well represented in college activities this year. We had two letter men on the football team, one on the basket-ball team, two on the track team, one on the debating team, and one representative in the inter-society debate. We also have the President of the Junior Law Class, one of the managers of the U. T. Circus, the President of the Pan-Hellenic Council and the President of the Phi Alpha Delta Law Fraternity, and next year we are planning to participate more than ever in college activities.

J. R. Eagle and R. Cate were guests of Georgia Alpha at their annual Founder's Day banquet on April 10. Neil Johnson and Carey Robinson, of Alabama Alpha, were also present. Our rep-

representatives report that the Georgia bunch are wonderful hosts, and that Georgia is a live Chapter. We doubt if any Chapter of our Fraternity has made more progress in late years than this one.

We feel almost certain that we'll be back at 1218 West Clinch Street next fall. This was our home for four or five years, but we had to give it up during the S. A. T. C.. However, we have the promise of it for next year, and we can assure any brother who happens to be in Knoxville next fall that he will receive a hearty welcome if he will look us up.

We take pleasure in introducing:

Initiated February 23, 1920:

Raymond Bernard Dunn, '17, Engineering, Knoxville, Tenn.
Roy Benjamin Striegel, '22, B. S. A., Perryville, Tenn.
Cecil Moore Jones, '23, B. A., Mt. Pleasant, Tenn.
Tom Carter Dresser Warren, '23, C. E., Newport, Tenn.
Albert Houston Roberts, Jr., '23, B. A., Nashville, Tenn.
Leonidas Newton Hankal, '23, B. A., Morristown, Tenn.

Initiated April 19, 1920:

Dean Melvin Beaman, '21, Engineering, Knoxville, Tenn.

In spite of the fact that we lose four men by graduation this year, two of whom have been with us since 1914, our prospects for '20-'21 are encouraging. We expect to return practically all of this year's Chapter except the Seniors. Every man is going home fully determined to bring one or two good men back with him, so with our old men and the men we have lined up we expect to have the most successful year in our history.

MISSOURI ALPHA

UNIVERSITY OF MISSOURI

Price Combs

Only two more weeks until our Seniors realize that their dream days are over. The question uppermost in all of their minds is, "What will I do next?" Due to Missouri's reputation, she has provided opportunities whereby each and every one will have several positions waiting for him.

Missouri intends to keep up the old standard of remaining at the top in track and baseball.

D. C. McClung is Missouri's leading weight man, taking third place in shot-put at the invitation meets held at Champaign, Ill., and K. C. Athletic Club, Kansas City, Mo. In the dual meet

of University of Missouri and University of Kansas he won the event with little difficulty. He will be sent to Pennsylvania April 26. Coach Bob Simpson believes D. C. McClung will be American representative at Olympic games.

J. P. Davies is on the baseball squad.

We wish to introduce:

Initiated January 18, 1920:

Laurence Ellis Sturtevant, '23, Journalism, Kansas City, Mo.
Leslie Craig McWhirter, '23, Pre-Medicine, Kansas City, Mo.
Richard William Sirz, '23, Arts and Science, St. Louis, Mo.
Paul Calvin Matthews, '23, Arts and Science, Monett, Mo.
Maz Freeman Dayton, '23, Arts and Science, Aurora, Mo.
Donald Corry Cropper, '23, Arts and Science, Enid, Okla.
Clare Downing Fishburn, '23, Arts and Science, Carthage, Mo.
Russell Wendell Nilson, '23, Arts and Science, Carthage, Mo.
Cecil Homer Smith, '23, Arts and Science, Mt. Vernon, Mo.

This initiation was one of the best ever held here, and will long be remembered by those fortunate enough to participate.

Rodney Fairfield has been elected Delta Sigma Rho.

G. C. Dirckx and L. C. McWhirter were on a trip recently taken by the Glee and Mandolin Club. Several of the larger towns in the State were visited during the week's tour. They report a royal time meeting brothers over the State, and say that all of the old pep is still in them. G. C. Dirckx was elected president of the Mandolin Club for next year.

The Farmers' Fair was held on April 9, the biggest and most successful one ever held at Missouri. J. M. Roberts, manager of the Farmers' Fair, of Arkansas, paid us a visit.

Our big event this Spring was the formal dance given at the Daniel Boone Tavern on April 2. It was the most successful formal given at Missouri this year. The decorations were carried out in a Japanese garden effect. The music was furnished by a jazz orchestra from Quincy, Ill. Dinner was served after the dance.

On April 24 there will be an Alumni banquet at the Muehlbach Hotel in Kansas City. There will be a large delegation from this Chapter. We are expecting the biggest banquet and pep meeting ever staged in Kansas City.

We have been planning on building a new house this summer, but on account of the tremendous advance in building material we find it impossible to put up the kind we wished, so have postponed building until next year.

WISCONSIN ALPHA**LAWRENCE COLLEGE**

Lee Rasey

Members of Wisconsin Alpha still reckon all important events from the four glorious days of February 26, 27, 28 and 29 when the Chapter entertained thirty-two of its Alumni members at a reunion. This marked the fifth anniversary of the installation of Wisconsin Alpha. All actives moved out of the Chapter house during the reunion and turned it over to the old men.

An informal reception at the home of Prof. O. P. Fairfield began the entertainment of the reunion. Friday evening the banquet was held at the Sherman House in Appleton. As the feed was good and the toasts better, the evening will be remembered in the hearts of all present as another pleasant event which will knit closer the ties of fraternal love in Sigma Phi Epsilon.

At the banquet plans were made for incorporating a Sigma Phi Epsilon householding corporation in the State of Wisconsin with a capital stock of \$25,000. A greater part of this stock was subscribed for during the reunion period by Alumni and active members. It is planned to begin work on a new Chapter house as soon as the present high costs of building material are somewhat lowered.

Saturday morning the bowling team of the active Chapter defeated the Alumni aggregation in a warmly contested match. The victory became more important in view of the fact that the Alumni "maple pingers" had a bowling team which they had long touted as an invincible one.

The reunion was pleasantly brought to a close with an informal dance to the active Chapter by the visiting brothers.

Wisconsin Alpha again captured first place in scholarship at Lawrence with an average of 83.95 per cent this year. This is in line with the reputation for scholastic ability which Sigma Phi Epsilon has at Lawrence, as the local Chapter has led Lawrence Fraternities in scholarship during the past five years.

Then, with our scholarship record, came another announcement that made every member doubly proud that he belonged to the Fraternity. That was the election of Rexford Mitchell, L. Kevill Larson, and Francis Rosecrance to membership in Phi Beta Kappa, honorary scholastic Fraternity. These three were the only men elected to Phi Beta Kappa at Lawrence this year.

Since our last letter the death of Don D. Smith occurred, who succumbed to the after effects of gas and shell shock received in the service last year in the Argonne. Brother Smith began work at Lawrence last Fall, but finding himself unable to continue his studies, returned to his home in Milwaukee, where his death occurred.

We are now preparing to initiate the Freshmen whom we pledged this year. We have been unable to do so earlier because of a college ruling which limits the number of members in Fraternities to thirty. Now, however, we will be able to initiate as many as we have Seniors, and thus can take in all of our Freshmen.

We wish to introduce:

Initiated February 23, 1920:

Walter Jackson Hunting, '23, Scientific, Racine, Wis.
Merritt Golden Mitchell, '23, Wittenberg, Wis.
Benjamin John Rohan, '16, Liberal Arts, Appleton, Wis.
Joseph Edmund Thompson, '11, Liberal Arts, Milwaukee, Wis.

PENNSYLVANIA ETA

PENNSYLVANIA STATE COLLEGE

H. Elliott Taylor

The second semester of the college year is nearly over and the results are gratifying and encouraging, for, in spite of what looked like a rather ordinary start, we have managed to pull up to the place where we can consider this "banner" year, and the men who are actually doing things around college are doing them with a vengeance.

We wish to introduce the following:

Initiated February 26, 1920:

Karl Elwood Kahley, Chemical Agriculture, '21, Berwick, Pa.
Vann Adrian Moffitt, Mechanical Engineering, '21, Daisytown, Pa.

The initiation of these two men has added greatly to our strength. K. E. Kahley, Varsity 115-pound boxer and track man, won his letter in cross country last Fall, has been elected captain of next year's boxing team, and has been pledged Parmi Nous, an upper class campus society.

H. K. Phifer and R. D. Wismer, of the Freshman Class, have been elected to Druids. Brother Phifer will be remembered as the center on the Freshman football team, while Brother Wismer played a regular forward in first year basket-ball.

In baseball we have but one representative this year, Miles Thomas, who is a Varsity pitcher. While it seems a little early to forecast the baseball season, we are confident of a successful spring, for in the games already played the team has shown up well.

Inter-Fraternity baseball has started, and in the first game played $\Sigma \Phi E$ with E. L. Hoffman on the mound, romped home

with an easy win. We have started out with big hopes of winning the cup, which we lost by one game last year.

The military department at State is assuming a position of importance that it has never held before, and its destinies are being guided by E. J. Morris, who is colonel of the cadet regiment and president of Scabbard and Blade. H. E. Taylor and R. E. Van Syckle are lieutenants in the regiment.

The Penn State Players, a new but very active dramatic organization, has chosen for its president E. L. Hoffman. In a recent production given by the players R. G. Adams, F. D. Hoyt and W. C. Shultz filled various roles in the cast. Brother Adams played a lead and has since been elected to membership in the Players.

W. C. Shultz has been initiated into membership in Eta Kappa Nu, honorary electrical.

We have at last finished our "roll call," and to those who have given account of themselves we extend our congratulations; but we would not forget that group of men here, and doubtless in every other Chapter, who, although not always endowed with any gifts that make for greatness in athletics, have caught the true spirit of brotherly love and are working untiringly to promote the fraternal spirit within the Fraternity. These men are, after all, the backbone of any organization, and whether they are well known on the campus or not makes little difference, for they have grasped the idea of "service for service sake," and their reward lies, not in the plaudits of the crowd, but rather in seeing the Fraternity grow and develop from within, and in the strengthening of that bond of good fellowship that will be remembered long after other seemingly more important things are forgotten.

OHIO EPSILON

OHIO WESLEYAN UNIVERSITY

Eugene P. Ketcham

Ohio Epsilon is well started on the second semester of the college year, which promises to be even more prosperous than the first.

Initiated February 20, 1920:

Robert William Jones, '23, L. Arts, Fort Thomas, Ky.
Joseph Howard Rutter, '23, L. Arts, St. Augustine, Fla.
Olin Bashford Smith, '23, L. Arts, Elida, Ohio.
John Dickinson Hall, '23, L. Arts, Napoleon, Ohio.
Ramon Harrison Jordan, '23, L. Arts, Wauseon, Ohio.
Bernel Rethmel Hall, '23, L. Arts, Evansport Ohio.

Lawrence Dean Shuter, '23, L. Arts, Evansport, Ohio.
William Brown Ludman, '23, L. Arts, Delaware, Ohio.
Joseph Edwin Jennings, '23, L. Arts, West Cairo, Ohio.
Chester Raymond Bates, '23, L. Arts, Galion, Ohio.

Sigma Phi Epsilon took first place among the eleven Fraternities here in scholarship, and expects to maintain that position throughout this semester also.

Our annual sisters' party was held on the evening of February 21 and was a big success, there being thirty-eight sisters present.

On February 23 the annual Washington's Birthday luncheon and celebration was held here at Ohio Wesleyan. In the afternoon and evening the various Fraternities held "open house," and Sigma Phi Epsilon entertained about forty guests.

H. D. Fritz is out to make the pitching staff, and T. O. Shreves is trying out for third base on the Varsity baseball team.

H. D. Davenport is back this semester, and has made the Varsity Glee Club. He has also been made a member of the Boosters' Club.

During the State Inter-Scholastic Basket-Ball Tournament held here February 27, 28 and March 5, 6 Sigma Phi Epsilon entertained the Galion and Bryan High School teams and the Athens High School team, of which A. B. Mackie is coach. At that time we had a very pleasant visit with Brother Mackie.

COLORADO GAMMA

COLORADO AGRICULTURAL COLLEGE

Clarence C. Banks

Batting true to form, the Sig Eps are making things hum on the campus this year. This seems to be our banner year, and all indications point to next year as a still more prosperous one. We have just purchased a new \$18,000 house, which we will move into next fall. Our new home meets all the requirements for an ideal Fraternity house.

We wish to introduce:

Initiated February 15, 1920:

Earl Kenneth Carey, '23, Vet., Boulder, Colo.

Initiated April 4, 1920:

Paul Richard Franke, '22, An. Husb., New York City.
Edwin Lee Lundy, '23, An. Husb., Fort Morgan, Colo.
Oliver Edgar Walgren, '23, Engr., Denver, Colo.
George Lay Anderson, '23, Vet., Eaton, Colo.

We gave dances on March 6 and April 3, which were well attended, and seemed to be enjoyed by all. We are now preparing for our Spring annual, which will be held the evening of May 15.

J. G. "Jack" Blanch was elected President of the Senior Class.

H. D. "Hank" Mitchell is the newly elected President of the Sophomore Class.

Paul Swisher was on the debating team which made a trip East, and he helped in defeating many Eastern institutions.

We are leading in athletics, and more Varsity letters have been awarded our house this year than to any other Fraternity. R. B. ("Ears") Moorhead and C. H. ("Specks") Strickland were awarded their "A's" on the basket-ball team. J. N. "Jack" Matheson made his insignia in boxing. He fought in the 145-pound class and finished the season victorious. O. E. "Cupid" Walgren and G. L. "Tuffy" Anderson made their letters in wrestling, and both won the majority of their matches. O. Baum and D. W. McIntyre were also members of the wrestling team, but did not get in enough matches to earn their letters.

In track we will be represented by E. D. "Ed" Leiby, a three letter man, and Verne Keating, a two letter man. H. D. Mitchell and G. L. Anderson are both trying for positions in the dashes on the track team. W. C. "Bill" Nye is coaching the track team, and he predicts another winner.

J. G. "Jack" Blanch, J. N. "Jack" Matheson, and C. C. "Sarg" Banks are playing on the Varsity baseball nine.

Sigma Phi Epsilon easily won the Inter-Fraternity basket-ball championship this year. We went through the season with a 1,000 per cent average. We will also bid strongly in the Inter-Fraternity baseball league, which starts in May.

MINNESOTA ALPHA

UNIVERSITY OF MINNESOTA

James E. Darrell

Minnesota Alpha held her Founders' Day banquet at the Minneapolis Athletic Club, April 15th. Without question this was the most enjoyable banquet that the Chapter has yet held. Fifty-three brothers attended.

Among the many Spring activities have been several dances at the Plaza Hotel, Minneapolis, and a number of parties at the Chapter house. A house-party was held at the lake home of H. E. Shillock on May 8th. The Spring formal will be given on June 4th at the new Curtis Hotel.

Sigma Phi Epsilon reached the semi-finals in the Inter-Fraternity basketball race, after defeating the five teams of their section. Defeat came at the hands of the "Phi Gams," who won the cup. All members of the "Sig Ep" team will return to school next year, and nothing short of the cup is looked for.

By defeating the Delta Chi's, 6 to 5, the baseball season opened auspiciously for the Chapter. With Brother Juhnke shooting them over, the chances for the baseball cup this year are good.

S. F. Anderson is in the Spring football practice squad and M. E. Juhnke is out for track. H. E. Shillock and C. K. Bailer are entered in the boxing tournament. E. A. Zetterberg has withdrawn from the University to look after some business interests.

M. W. Seymour was elected to the Minnesota Daily Board of Publishers in the Spring campus elections. D. L. Mackintosh has been awarded an "M" as member of the stock judging team entered at the Chicago contest. E. O. G. Schmitt, R. K. Dixon, and H. E. Wilmot have been initiated into Phi Rho Sigma, national medical fraternity. Brothers K. A. March and W. C. Stillwell are newly initiated members of Alpha Kappa Kappa, medical national. F. S. Richardson was initiated a short time ago into Phi Beta Pi, medical national.

A visit from W. L. Phillips, grand secretary, was enjoyed on April 12th. Brother Phillips attended the weekly chapter meeting and gave a talk on the ideals of Sigma Phi Epsilon.

It is our sad duty to record the death of R. C. Kuenzli, who passed away March 2d, after a brief illness. He was a member of the Engineering class of 1921. Brother Kuenzli was an ardent and faithful worker of the Fraternity, and his death was a hard blow to the Chapter.

Minnesota Alpha takes pleasure in introducing the following brothers to the Fraternity at large:

Initiated January 17, 1920:

Bertram Ellsworth Stillwell, Academic, '23, Appleton.
Bertram Ellsworth Stillwell, Academic, '23, Appleton, Minn.
Wilson Joseph Kerr, Academic, '23, Appleton, Minn.
Loren Willis Howard Ewing, Agriculture, '23, Redfield, S. D.
Harold Eugene Shillock, Academic, '23, Minneapolis, Minn.
James Engle Pandt Darrell, Engineering, '22, St. Paul, Minn.
Edgar Abigale Zetterberg, Academic, '23, McIntosh, Minn.
Harold Eugene Wilmot, Medicine, '24 St. Charles, Minn.
Charles Kenneth Bailer, Academic, '23, Waseca, Minn.
Milton Frederick Juhnke, Academic, '23, Waseca, Minn.

Initiated April 25, 1920:

Harry Henderson Crandall, Academic, '21, Mankato, Minn.
Sigurd Ferdinand Anderson, Academic, '23, Hallock, Minn.

IOWA BETA

IOWA STATE COLLEGE

V. V. Malcom

The optimism which always attends the opening of the third quarter is shared by Iowa Beta to the extent that we hope to surpass all our previous records and ultimately achieve that millennium of Fraternity life known as "the most successful year of our existence."

It was our pleasure on the 11th of April to entertain the members of the Grand Chapter, with the exception of the Grand Historian and Grand Treasurer, who were unable to attend the executive meeting, which was held here.

In athletics, of course, the national game outranks all others at this season of the year. Table-talk at the Chapter house now shows a predominance of baseball terms. The Chapter has been very fortunate in pledging a number of bat and glove artists, and we now boast two teams. Even the age-old enmity between the agriculturists and engineers was taken up in a battle on the diamond to the temporary annihilation of the agriculturists. In minor athletics during the past winter we have been represented by Pledges Elkins and Fitzgerald, our two experts in the manly art of self-defense.

The event of the social season for this quarter is to be the formal dance and dinner party to be given on April 24 and 25. For months our social committee has been working in preparation for this affair, and it is to be the crowning event of the year. Great indeed will be the significance of this social event in the annals of Iowa Beta, for it marks the beginning of a new epoch in our history. The local Chapter, which has not seen a degree bestowed upon an active member in the last two years, will witness the graduation of the largest class in its history this Spring. Almost one-half of the active Chapter will at that time enter the roll of our Alumni. Therefore the social function of the 24th and 25th will assume the atmosphere of a farewell to the class of 1920, and we intend to make the occasion such that its memories will remain with them as a monument to the honor and standing of Sigma Phi Epsilon.

Your War Record Wanted

IOWA GAMMA**UNIVERSITY OF IOWA****Russell L. Rose**

On April 27th we held our annual banquet at which fifty-five members were present, including alumni and faculty. This was the first Foundation Day banquet to be held by this Chapter since the installation in 1917. We intend to make it an annual affair and it will be one of the great events in the years to come. The toast program, which follows, was given along the line of Sig Ep ability.

Toastmaster—Roy D. Burns.

Stability—Walter Fourt.

Impeccability—Harold G. Sandy.

Get Ability—E. E. Lewis.

Eligibility—Ray Parrott.

Posibility—O. E. Klingaman.

Brother Klingaman, head of the Extension Department of the University, most ably pointed out the latent possibilities of the men initiated this year and clearly defined the possibilities for the seniors.

We are very sorry to report that owing to the sickness of his mother, O. H. Mendenhall had to leave the University this quarter, and will be unable to return this year. Austin Gole and Erwin Sage left, both expecting to return this fall. R. J. Carlson is with us again after two quarters' absence.

Iowa Gamma has five men on the varsity track team. Two of them were sent to the Drake relays. We also have some promising freshmen out for track, baseball and spring football.

Under the direction of our newly elected and installed president, Charles C. Bowie, we are looking forward to the most successful year that Iowa Gamma has ever had.

MONTANA ALPHA**UNIVERSITY OF MONTANA****Eugene Harpole**

Spring, the growing season, finds Montana Alpha in harmony with the spirit of it. The college year, whose end is now approaching has been a year of growth for us. The Spring quarter inevitably finds a falling off in attendance at the University, yet, in spite of this decrease, we have sixteen members and four pledges in the house. There is much of this progressive spirit that we feel has been given us by visiting brothers.

G. G. Witter, from New York Alpha, has been with us all season.

J. A. Morrison, from Colorado Gamma was stationed in Missoula for three months by the company with whom he is employed. He took his meals at the Chapter house and rewarded us with many good ideas. J. A. Morrison has been sent to Scott's Bluff, Neb., to have charge of the erection of a sugar factory.

We have been favored with visits from C. C. Kniseley, of Kansas Beta, and William G. Breitenstein, of Iowa Alpha.

Our growth in membership is represented by the following, whom we wish to introduce:

Initiated January 19, 1920:

Lee Henry Dierdorff, '21, Fresno, Montana.

William Kilgore Brown, P. G., Ft. Worth, Texas.

Initiated March 28, 1920:

Percy Sylvester Spencer, '23, New Richmond, Wisconsin.

Roy Robert Ayres, '23, Livingstone, Montana.

Marvin William Black, '23, Havre, Montana.

Alvin Clarence Olsen, '23, Havre, Montana.

Olaf Joseph Bue, '23, Kalispell, Montana.

Alfred Willis Wakefield, '23, Forsyth, Montana.

Eugene McLaughlin, from Montana State College, was with us for initiation.

The Chapter gave its annual installation dance at the Elks' Temple the evening of January 31. Forty couples, including visiting Alumni and guests from the other Fraternities on the campus, attended.

The Chapter had three men on the honor roll last quarter. Eugene Harpole was initiated into Kappa Tau, local honorary scholarship Fraternity. Fred Daylis is pledged to Alpha Kappa Psi, national commercial Fraternity. Olaf Bue has been made a member of the Masquers' Club in recognition of his dramatic ability. George Witter represented the University in a winning debate against Montana State College.

C. R. Spiller, P. S. Spencer, and Fred T. Daylis are assured positions on the Varsity baseball nine. E. Harpole and D. Carnal are trying for places on the Varsity track team. Two of our pledges promise to win places in the Freshman track squad.

A. C. Olsen and M. W. Black handle the drums and trombone in the University band. These musicians are also members of our house orchestra.

Albert Woehner has taken his State examination in pharmacy and has returned to complete his course.

OREGON ALPHA**OREGON AGRICULTURAL COLLEGE****Kenneth D. Fendall**

Oregon Alpha is nearing the close of a very successful college year—successful from the viewpoint of things accomplished. We predicted a big year for the Chapter when we started off with a rush last Fall, and our optimism has been justified.

It is our pleasure to introduce:

Initiated March 5, 1920:

William Milton Mathison, '22, Agriculture, Montpelier, Idaho.
Floyd Marvin Edwards, '23, Agriculture, Monroe, Oregon.
Oliver Minor Hazen, '23, Commerce, Snohomish, Wash.
Frances Murton Kinch, '23, Commerce, Snohomish, Wash.

The biggest thing that Oregon Alpha has accomplished this year has been the laying out of a constructive program which will enable us to own a new Chapter house. Two excellent lots for our prospective Fraternity home belong to us as the result of a campaign for funds among the active members. The problem of financing the cost of erection of a new house is indeed a big one, but we are making long strides towards its solution. Plans for incorporation have been completed and stock is being sold to the Alumni who are backing the enterprise. The Alumni are being rapidly organized to facilitate the carrying out of the new program.

Our annual social event of the year occurred on January 23, when more than seventy persons gathered around the banquet table in the Julian Hotel, Corvallis. An interesting program was presented between courses to add to the enjoyment of the affair. After the banquet the party met in the Chapter house and spent the remainder of the evening in dancing. The house had been attractively decorated, and it was generally conceded to be a very successful house function.

In the realm of athletics we have our share. T. A. "Ted" Heyden, who made his letter in football last Fall, is heaving the shot in Varsity form this Spring. Ellsworth and Wellington Green are both on the Varsity track squad. Arthur L. McClain is the Northwest 165-pound wrestling champion as a result of his victory over his opponent in both the University of Washington and Washington State College meets. J. L. Spriggs and J. E. Fitzgerald made strong bids for Varsity wrestling berths and showed up well in the inter-class meets. Pledge Glenn Gregg played forward on the Freshman basket-ball team and is in line for a place on the Freshman baseball nine.

In the field of student activities we are second to none. J. I. Stewart, who was already editor of the Junior annual publication,

"The Beaver," was recently elected to membership in the Forum, an honor society of high merit, and elections to it are based upon scholarship, activities, and moral character.

J. I. Stewart is also a member of Alpha Kappa Psi, national honorary commerce Fraternity. A. E. McClain is also a member of this organization.

In Alpha Zeta, national honorary agricultural Fraternity, we are represented by J. L. Spriggs, G. M. Alexander, H. R. Wellman, and Hurley Fellows.

In Sigma Tau, national honorary engineering Fraternity, are A. M. Manning, W. L. Lathrop, and B. M. Green.

The Mining Engineers recently elected Ellsworth Green as president of their club.

G. F. Bell is now president of the Shakopean Literary Society, of which F. M. Kinch and O. M. Hazen are members.

E. V. Abbott was a member of the Sophomore debating team. This team defeated the Freshman team, of which O. M. Hazen was a member.

We have been a strong element in all intramural athletics, and were "headed" by a narrow margin in basket-ball, cross-country, and in the relay races. In basket-ball we were second among the national Fraternities. In the annual inter-organization cross-country run we were second. In the relays we were victorious in the preliminaries, but were nosed out in a close heat in the finals. We are going in to track and baseball with a determination which ought to get us something.

A local chapter of Scabbard and Blade was recently installed here, and the "Sig Eps" had three charter members in the line-up, A. W. McComb, A. M. Manning, and A. E. McClain.

Our annual election of officers held April 19 resulted as follows: H. B. Robinson, President; L. A. Moss, Vice-President; R. E. Shannahan, Secretary; D. R. Marr, Treasurer; G. F. Bell, Historian; T. A. Heyden, Guard, and F. M. Edwards and O. M. Hazen, Marshals. For the editor of the Oregon Alpha E. V. Abbott was elected.

Send Your War Record
To-day

KANSAS BETA**KANSAS STATE COLLEGE****Raymond C. Nichols**

Kansas Beta of Sigma Phi Epsilon has enjoyed an unusually successful year, during which we have had a total of forty-seven members and pledges enrolled in college, making us in numbers one of the two largest here.

We wish to introduce the following:

Initiated February 22, 1920:

Gilbert Virgil Harper, '22, General Science, Kingman, Kansas.
Lloyd George Grandfield, '23, Vet. Medicine, Maize, Kansas.
Ernest Arthur Laude, '23, Agriculture, Humboldt, Kansas.
Donald Albert Yandall, '23, Vet. Medicine, Dodge City, Kansas.

Initiated April 11, 1920:

Hollis Raymond Hope, '23, Industrial Journalism, Garden City, Kansas.
Earl Lewis Preston, '23, Elect. Eng., Russel, Kansas.
Thomas Alfred Constable, '23, Mech. Eng., Bennington, Kansas.
Harry Nelson, '23, Civil Eng., Salina, Kansas.

Holman L. "Ham" Bunger was selected as forward on the first all Missouri Valley basket-ball team, and has been chosen as captain of next year's Aggie quintette.

Several Kansas Beta Sigma Phi Epsilons have been making some enviable records in track athletics this Spring. Earle W. "Jack" Frost tied for first place in the pole vault event at the Illinois Relay Carnival, clearing the bar at 12 feet 2½ inches. This is a new record for this meet. He easily won first place in that event at the annual indoor meet staged by the Kansas City Athletic Club. Wright E. Turner won a name for himself when he took first place in the 440-yard dash at the Kansas City meet. M. S. "Ship" Winter is the high jumper of the Varsity track team, and has cleared the bar at 6 feet 1½ inches. C. E. Beckett is working faithfully at his old event, the mile run. George M. Drumm and Hubert Counsell are also members of the Varsity track team and will probably win their K's this Spring.

On the Freshman Varsity track team six of our members and pledges have landed places. Hollis Hope won fourth place in the fifty-yard low hurdles at the Kansas City meet. Pledge Emil Von Riesen won first place in the mile run in the annual inter-class meet. Pledge Day in the 440, E. L. Preston in the 880, L. G. Grandfield in the 440, and L. A. Constable in the high jump are showing good form, and appear to be good material for the Varsity next year.

Our strength in track can be summed up by saying that half of the Varsity track team that went to Kansas City to the K. C.

A. C. meet were "Sig Eps," and that in the inter-class meet nearly half of the points were made by our members and pledges.

In Inter-Fraternity athletics we have made a good showing. Our basket-ball team did not win the cup, but in the game with the winners we defeated them. In baseball we have won two of the three games we have played. We hope to win the baseball cup, and are making every effort to do so.

A plan of student self-government has been adopted at this institution. Earle W. Frost is president and M. S. Winter and C. E. Beckett are members of the Executive Council.

Marshall P. Wilder, winner of first place in the Pentathlon in the A. E. F. Meet, may be one of the contestants in the Olympic games next summer. He is in school this semester finishing his work for a degree, and has been "working out" preparing for the tryouts for the United States team.

In school politics many of the brothers are very prominent. The presidents of the Senior, Junior and Sophomore secret organizations are all Sigma Phi Epsilons. Paul L. Fetzer is President of Sigma Tau, honorary engineering Fraternity, and was their representative to the convention. Several of the class offices are held by "Sig Eps."

Social activities have not been neglected. Our winter party, which was held February 20, was a decided success. Our spring party will be held May 15 at Elks' Hall.

George M. Drumm has been initiated into Alpha Zeta, national honorary agricultural Fraternity. Morse Salisbury and Raymond C. Nichols have pledged to Sigma Delta Chi, national professional journalistic Fraternity.

M. H. Salisbury, P. L. Fetzer, and Clifford Kniseley attended the installation of Oklahoma Alpha, and returned full of enthusiasm about that Chapter and its prospects.

OKLAHOMA ALPHA

OKLAHOMA COLLEGE

W. J. Beck

Oklahoma Alpha sends greetings to all sister Chapters and extends its appreciation for what they have done for the Chapter. Our prospects are especially promising and we expect to live up to the standards set by other Chapters of Sigma Phi Epsilon. At present our active membership numbers twenty-seven, and as only five men graduate this Spring, we will have a good, strong nucleus for expansion and growth during rushing season the coming college year.

To let the other Chapters know something of the position we hold in college some of our activities will be listed. Since our installation we have added one to our roll.

Initiated April 13, 1920:

Martin Ward Chase, Agri., '20, Ralston, Okla.

Brother Chase was unable to be present at the installation, being on the wrestling squad, which was at that time contesting in the national wrestling tournament at Birmingham, Ala. Chase was in the heavyweight class and was not eliminated until the semi-finals. He was the last college man to be thrown.

At the class elections this semester R. D. Shannon was elected President of the Junior Class; M. W. Chase, President of the Senior Class; A. C. Briggs, Secretary-Treasurer of the Junior Class, and G. H. C. Green, Vice-President of the Sophomore Class. M. W. Chase is Vice-President of the Student Association, and J. C. Briggs is Secretary-Treasurer of the same organization. R. D. Shannon and Richard Hildebrand are Student Senators. R. D. Shannon is business manager of the Redskin, the college annual. B. L. Wertz is the associate editor of the Orange and Black. M. W. Hinson was President of the Sophomore Class last semester.

M. W. Chase and E. R. French are members of the Orange and Black board. W. J. Beck, B. L. Wertz, and E. R. French are three of the five members of the Oratorical Board. B. L. Wertz won the collegiate oratorical contest, and as representative of the college ranked third in the State contest. E. R. French, W. J. Beck, and B. L. Wertz are collegiate representatives in debating contests. They have participated in three debates, winning a unanimous decision in each case. All three of these men are members of the Pi Kappa Delta, honorary forensic Fraternity, of which organization E. R. French was a representative at the National Convention at Sioux City, Iowa, this month.

B. L. Wertz and R. D. Shannon were charter members of Alpha Kappa Psi, the honorary professional commercial Fraternity that was recently established here.

In the Cadet Corps E. R. French is the colonel, W. J. Beck ranks as major, C. A. Percival, A. B. Briggs, and A. Williams as captains, and B. L. Wertz, R. Hildebrand, and M. W. Hinson as lieutenants. The first five of these men are among the ten charter members of the recently installed Chapter of Scabbard and Blade. W. J. Beck is captain; A. B. Briggs, second lieutenant, and C. A. Percival, first sergeant of the local company of that organization.

M. W. Chase and G. H. C. Green are the presidents of the two chief literary societies. G. H. C. Green is editor and Richard Hildebrand is business manager of the Sophomore edition of the Orange and Black.

Grand President Francis J. Knauss
In Charge of Installing of Oklahoma Alpha, April 2, 3, 1920

In dramatics, Sigma Phi Epsilon has a strong representation of five men—A. B. Briggs, B. L. Wertz, R. Shannon, G. H. C. Green, and R. Hildebrand—in the College Dramatic Club. The first three-named are charter members of the National Dramatic Fraternity, Theta Alpha Phi. Shannon and Briggs are playing the leading roles in the two college plays being staged this Spring. B. L. Wertz was the leading man in the play staged in the Fall semester.

In the Varsity football line-up three of our men held regular positions and were awarded letters. William "Bill" Williams was center and M. C. Liebhart and M. W. Chase were guards. W. Leard and Armon Williams made an excellent showing in the practices, and no doubt the coming season will find them on the team.

We are strong contestants for the Inter-Fraternity championship in baseball, having won two of the three games already played. We won the championship of the Inter-Fraternity basket-ball league with a percentage of 1,000.

We will have our annual dance on May 14, and it is our hope and desire that visitors from other Chapters may be with us on that occasion.

1104 POWER BUILDING

RICHMOND, VA.

Installing Committee Oklahoma Alpha, April 3, 1920

With the Alumni

DENVER ALUMNI

DENVER, COLORADO

Ward I. Miller

Events have been moving rapidly for the Denver Alumni Chapter the past few months.

Each one of the monthly meetings has been well attended and full of pep. Our membership has been steadily increasing, as the stray brothers in the city have been brought into our circle.

Our annual formal dance and dinner was a great success, although concluded early by the news of the fatal accident to Brother Ray Sherman, of Colorado Alpha. He and a party of friends were on their way to the dance, when the machine in which they were riding collided with another, turning theirs over and causing the death of Brother Sherman an hour later.

Great plans have been laid for full co-operation with the active Chapters in their spring, summer and fall rushing. A live committee, headed by J. H. Crary and W. C. Smolenske, has been appointed to get in touch with the active boys and start things going. Mountain trips, dances, smokers, etc., every kind of amusement appealing to the high school graduate will occur regularly.

J. H. "Jack" Crary has been appointed district deputy for this region, comprising the Chapters Colorado Alpha, Beta and Gamma.

This month a great get-together night with the ladies will occur. A dinner followed by a theatre party or a dance will provide the fair ones with entertainment. About eighty couples are expected to attend.

At the meeting following this ladies' night, the annual election of officers will occur. The new men will then outline their plans for the coming year. Great things can be expected from the Denver Alumni Chapter in the near future.

TIDEWATER ALUMNI

NORFOLK, VA.

Howard K. Hogan

The Tidewater Alumni Chapter is now busily rostering its members and preparing data for the new directory and war service record. Many of our men have been discharged or released from the service, some of whom have remained here as civilians, but the majority of them have left.

We now have with us in Norfolk D. Tillar I'Anson, South Carolina Alpha, our President; Vivian L. Page, R. A. Jett, Jr., William I. Higgins and Otto Stumpf, of Virginia Epsilon, and Lucien B. Cox, of Virginia Alpha, all of whom are practising law.

William D. Tillson, Virginia Eta, is now practising medicine.

Robert H. Dixon, Virginia Eta, our Vice-President, is a commission merchant.

Jack Cocks, Virginia Alpha, is a confectionery salesman.

Hugh Bridges, Virginia Eta, is with Armour & Co.

Roy Sutton, North Carolina Beta, and A. N. Cocks, Jr., Virginia Epsilon, are in Norfolk banks.

John H. Bowen and Lemuel F. Games, Virginia Delta, are high school instructors.

Leonard B. Roche, Virginia Delta, our Treasurer, is a diamond merchant.

John Northcott, North Carolina Beta, is an electrical draftsman at the Norfolk Navy Yard.

S. E. Hathaway, West Virginia Beta, is with the supply department, Norfolk Navy Yard.

J. C. Haymes, Missouri Alpha, is with the War Department at the Port Storage Army Supply Base, Norfolk.

J. Q. Davis, Virginia Alpha, is mayor of South Norfolk.

In Portsmouth, Virginia, are: George Bosman, Virginia Eta, a lawyer; George Larkin, Virginia Delta, with the State Bank; Holt Newson, Virginia Delta, with the Trant Drug Co., and Willis J. Plummer, District of Columbia Alpha, who is truck farming at Deep Creek, Va.

In Newport News, Virginia, we have Paul Wilson, Virginia Delta, who is with the ship yard; Dr. T. J. Kagey, Pennsylvania Beta, who is practising medicine. Alvin Booth, New York Beta; E. R. "Pinky" James, Virginia Delta; Rice Richardson, Virginia Delta, and George E. Sackers, New York Beta, are all with the United States Shipping Board at the ship yard.

Our Secretary, Howard K. Hogan, is a naval ship draftsman with the Newport News Shipbuilding and Dry Dock Co. Brother Hogan was at the navy yard at Norfolk during the past two years.

J. Milton Shue, Virginia Alpha, is principal of the Waverly High School, Waverly, Va.

C. Preston Newby, Virginia Delta, is in the wholesale grocery business at Clarksville, Va.

W. W. "Bill" Cato, Virginia Delta and Epsilon, is now at Emporia, Va.

Harold O. Hogan, Pennsylvania Epsilon, is at his home in Baltimore, Md.

We are glad to learn that Georgia Alpha has initiated S. Selinger, T. S. Fentress and V. L. Borum, all of Norfolk. We welcome them into our Fraternity.

Summer is coming and we all hope to be together for a pleasant time at Ocean View, Virginia and Buckroe Beaches. We hope that all brothers who get to Norfolk, Portsmouth, Newport News, Old Point Comfort, Hampton, or any of the resorts in the Tidewater district will make themselves known to us. We can be reached at the office of our President, D. Tillar I'Anson, 328 Seaboard National Bank Building, Norfolk, Va., or by calling up our Secretary, Howard K. Hogan, 315 Fifty-second Street, Newport News, Va.

We are glad to learn that our active Chapters are so prosperous, and we hope for a closer co-operation with them. If any Chapter has Alumni in this section, please notify us, so that we may make their acquaintance and get them on our roll.

NEW YORK ALUMNI

NEW YORK, N. Y.

W. H. Mayer, Jr.

Since the last issue of the Journal New York Alumni has been slowly but surely gaining headway. At the first meeting of the year we had only fifteen brothers enrolled in the New York Alumni Chapter and who had paid their Journal subscriptions. At the present time there are twenty-two brothers enrolled in the Chapter. At almost every meeting a new member is enrolled, and we hope to see our membership increase very rapidly from now on. When the Alumni begin to realize that they are missing something by not belonging to this Alumni Chapter and that it is forging ahead so rapidly, they will literally "fall all over themselves" to sign up as regular members so they can say they were among the first hundred members of the New York Alumni Chapter.

It is up to the Alumni living in or near New York to write in to our secretary and give his name and correct address. He should also send in the names and addresses of all other brothers in the vicinity. We can't send notices to brothers whose addresses we never heard of.

We expect to have our annual outing or picnic some time in June. The date has not been determined as yet, but will most likely be June 27. This is a very good affair, to which we invite our wives and sweethearts. We usually go to some nearby beach where the swimming is good and take lunch with us. It is a picnic in every sense of the word. Any brothers who happen to be in or near New York at that time are invited. Just write to the secretary and he will see that you receive full particulars of the "great event." We hope to see a great many at this outing, and we are sure that you will not regret the time taken to attend this party.

Our meetings are usually held during the first week of each month. We are always glad to have visitors, and if you are in the city at the time of any of our meetings just call the secretary on the telephone and he will give you all the "dope" in regard to the meeting.

PENNSYLVANIA DELTA

Kenneth B. Loheed is now in Providence, R. I., with a general business concern.

J. S. Kean is working with the aircraft division of the Navy Experimental Engineering Station, at the Navy Yard, in Philadelphia, Pa.

George J. Thompson is to teach in the Michigan Law School this coming summer.

C. D. Martin has been in the East with the Roumanian Relief Commission, now holding the position of Captain with the Red Cross.

Paul Windom is now in Washington, D. C., expecting to go to Paris as an architect in a few months.

NORTH CAROLINA BETA

H. St. G. Tucker has returned to his position as instructor at North Carolina State College.

L. M. Phelps, '13, has a position with C. R. Boone, of Raleigh, N. C.

John Northcott, '18, is located at Norfolk, Va.

A. B. Waddell, '19, is located at Roanoke Rapids, N. C.

J. W. ("Jimmy") Cooper, '17, is living at Henderson, N. C.

J. E. Reister, '18, has a position with the Southern State Bank, Asheville, N. C.

T. H. ("Tommy") Holmes, '16, is engaged in the brick business at Goldsboro, N. C.

Howard Bowen, '20, and J. H. Moss, '21, are both living in Washington, N. C.

G. F. Barbrey, '19, is a student at Cornell University, Ithaca, N. Y.

L. L. Hood is with Darnell & Thomas Co., of Raleigh, N. C.

ARKANSAS ALPHA

F. L. Graybill, instructor at the Great Falls, Montana, High School, has recently been appointed chief Boy Scout executive at Great Falls.

C. A. Achenbach is located at 4845 West End Avenue, Chicago.

S. E. Welch is practising law at Antlers, Oklahoma. His office is located in the Antlers National Bank building.

Mack R. Phillips is county superintendent at Idabel, Oklahoma.

Clyde H. Dorr is residing in Okmulgee, Oklahoma. His address is Box 549.

Floyd O. Hagle, Iowa Alpha, '15, is coach of athletics at the Sand Point, Idaho, High School.

C. E. Hagie, Iowa Alpha, '13, is superintendent of schools at Collins, Montana, this year, but will assume the superintendency at Cheridan, Montana, at the fall semester.

Bill Breitenstein, Iowa Alpha, '14, who has had booking headquarters for Hankinson's motor attractions at the Hotel Rainbow, Great Falls, Mont., during the past four months, is now en route in the South as booker and supervisor of publicity for Ralph Hankinson, who has headquarters at 115 West Fifth Street, Kansas City, Mo. Percy Caris, Iowa Alpha, '15, of Chicago, is doing art work for the Hankinson publicity staff.

Wayne R. Hagie, Iowa Alpha, '13, is now secretary of the industrial Y. M. C. A. at Valejo, California.

Harlan Stone, Iowa Alpha, '14, is Methodist minister at Mabton, Washington.

OHIO GAMMA

J. W. "Pink" Flaig, '19, is in the lumber business with his father at New Madison, Ohio.

W. M. "Chig" Kreiger, '19, is in the insurance business, being located at Youngstown, Ohio.

T. E. "Buck" Buchanan, '13, on the Ohio State Stadium Committee, has been advanced from cashier to vice-president of the Ohio National Bank of Columbus.

J. O. "Nifty" Roedell, '16, is doing chemical work with a Columbus concern.

J. C. "Jem" Lewis is located with a Columbus printing concern as advertising manager.

J. W. "Mac" MacFall is doing government construction work in Columbus.

"Bill" Oberman, ex. '20, has accepted a position in the estimating department of the Wheeling Mold and Foundry Company at Wheeling, W. Va.

VERMONT ALPHA

Major Walter C. Merkel, '16, is in Paris on United States army reconstruction work.

Captain Robert C. Anthony, '17, is with the United States Marine Corps at Quantico, Va.

Captain Alfred S. Baylies, '17, is with the Thirteenth United States Cavalry.

Lieutenant Thomas F. Keefe, '18, is with the field artillery at Fort Sill, Oklahoma.

William O. Wallace, '12, is manager of the Camillus Cutlery Company, Camillus, N. Y.

NEW HAMPSHIRE ALPHA

F. H. Cushman, '13, who was reported killed in action, surprised us by coming back. He now has a dental practice in Boston.

We regret the absence of A. H. Earle, who returned last spring after two years of service with the A. E. F. He is studying architecture at the Massachusetts Institute of Technology.

C. H. Dudley, '16, and E. M. Noyes, also '16, are both employed by the United Shoe Machinery Company at Beverly, Mass.

H. D. Stillman, '17, and R. A. Brown are with the Nashua Gummed and Coated Paper Company, at Nashua, N. H.

D. D. Linehan, W. H. McKenzie and A. E. Johnson are together in Akron, Ohio, where they are running the Goodyear Tire Company.

Ralph Parker is now in England, with the view of establishing connections for the Page Belting Company, of Concord, N. H.

NEBRASKA ALPHA

Dwight Putman is one of several Nebraska Alpha men who are convinced that a pig has a future, or at least that they have a future in pigs. "Put" has reduced hog raising to a science and, according to the Duroc Bulletin, which is the authoritative publication for Duroc hog men, he is one of the foremost breeders of the country. You'll believe it when we tell you he has sold hogs at a price of \$15,000 a head. He has the prettiest herd of Durocs in the middle West. We think, representing so many thousands of dollars that it pains one to think of it. What other hog men think of him is attested in the fact that he was engaged to judge the Durocs at the California and Oregon State fairs last fall, and that other fairs are now negotiating with him. He is one "Sig Phi Ep" who doesn't forget where headquarters is, and the Chapter has a visit with him quite often. He still lives on the outskirts of Tecumseh, Nebraska.

Sam Chamberlain, one of the patriarchs of Nebraska Alpha, is located in Lincoln as secretary of the Atlas Oil and Refining Company, with offices in the Bankers' Life Building. Sam looks as prosperous as we would like to feel. Despite the fact that he is fast becoming a bloated plutocrat, you may find his Romer gas

wagon parked out in front of the Fraternity house each evening and Sam inside partaking of our humble fare. He is no more married than he ever was; in fact, his specialty is the number of cute feminine things he can acquire, and he wears a new girl each evening. If you think you own an oil lease Sam will take care of you and see that you don't own it longer.

Earl R. Spaulding, one of the early sponsors of the Fraternity, is located at Sutherland, Nebraska, and engaged in the pleasing pastime of making money by the barrel. He sells real estate, and we have it straight that he sells it, too. They say out Sutherland way that he owns a fair share of the community, and what he doesn't own now he has at some time during the past year. He still has poor luck growing hair, but why should he care now? He acquired a wife last fall that we have no reason for thinking is other than about the best ever. It is not because Monk has let us see her that we think she is some class, however, but simply that we know Monk's taste in feminine things. We would like to take a look at her one of these times, though, so we could say, "Bless you, our child."

We understand from Omaha sources that F. J. Purney has given berth with the Omaha Alumni Association, and that he is now secretary and may be addressed as follows: Dr. F. J. Purney, 404 Bee Building, Omaha, Nebraska. He pulls teeth by day and cuts a social swath by night, ably assisted by Mrs. Putney. If you are in need of dental work or information relating to any Sig Phi Ep in Omaha call on Dr. Purney. He is qualified to give equally good service in either case.

Merton E. (Humpy) Campbell has taken the fatal step, and is now numbered among those unfortunates having to provide for two—or more. Mrs. Campbell was Miss Novena Levitt. They were married in December.

TENNESSEE ALPHA

J. C. Thomason, '16, Tennessee Alpha, is assistant to the District Attorney General of Tennessee.

C. E. Allred, '14, is now Professor of Rural Economics at the University of Tennessee.

Ralph Cate and Julian R. Eagle have been granted licenses to practise law in the State of Tennessee.

W. T. Evans, '44, is still in the service. He is a captain in the Marine Corps and is stationed in the Philippines.

A. K. Beaman has successfully launched forth in the automobile business in Knoxville. He is president of the Beaman-Pollard Motor Car Company.

C. S. Keith, '17, is sales manager of the Chero-Cola Company at Tampa, Fla. Pohn Thornton is advertising manager of the same company.

MISSOURI ALPHA

Dr. Boyd L. Greever, '16, has taken a special course at the University of Chicago since resigning his commission as lieutenant senior grade) in the United States navy. He is now practising in diseases of the eye, ear, nose and throat at Suite 911, Beacon Building, Wichita, Kansas.

Alvin Floreth is in the hardware business at Monett, Missouri.

James W. Day, '14, '16, '17, is on the faculty of the Oklahoma Agricultural and Mechanical College at Stillwater, Oklahoma. He has articles of professional interest in current issues of *School and Society*, the *Journal of Education*, and the *Journal of the American Society of Agronomy*.

Paul G. Koontz has his law office at 615 Frisco Building, Joplin, Missouri. He is adjutant of the local post of the American Legion.

Lisle J. Wormington, '16, is county agricultural agent at Neosho, Missouri. He is married and has a daughter one and a half years old.

Virgil Spurling, ex. '21, is assistant director of athletics at the University of Missouri, Columbia, Missouri.

Arthur M. Sames is in the grocery business at Centralia, Missouri.

Lee Roy Johnston, '16, is farming at Farmington, Missouri.

Floyd E. Fewel is a bank cashier at Leeton, Missouri.

King L. Banks, '16, is located at Raines, Tennessee.

J. Morgan Roberts, '14, is farming at Louisville, Georgia.

Marlin L. Henry, '14, '17, is in the Bureau of Markets of the United States Department of Agriculture at Memphis, Tennessee.

Leonard Gabriel, ex. '19, is with the Standard Oil Company at Atlanta, Georgia.

Dr. Dar De Los Stofer, '16, is at the Hartford Hospital, Hartford, Conn., where he is engaged in his profession.

Wyn Hutchins, ex. '19, is traveling for the United States Tire Company. His address is 2415 Harriet Avenue, South, Minneapolis, Minn.

Paul A. Wilson, '15, is practising law at Tulsa, Oklahoma.

MONTANA ALPHA

John Sullivan and Fitz Lautz are charter members of Gamma Sigma, a local Fraternity at the University of Washington, which proposes to petition $\Sigma \Phi E$.

Eugene McLaughlin is one of the graduating class at Montana State College. He is a member of Beta Epsilon, the local petitioning $\Sigma \Phi E$.

William McCullough is in the mercantile business at Mullan, Idaho. Bill and his wife visited the Chapter during the holidays.

A. A. Peters has withdrawn from the University to engage in a general mercantile business at Hall, Montana.

Harley Hartsen has purchased a ranch at Hamilton, Montana, and is living on it.

KANSAS BETA

O. E. Reed, formerly head of the dairy department at Purdue University, has accepted the position as manager of the Gossard Breeding Farms.

G. E. Denman has recently been made State supervisor of vocational agriculture in Idaho. He is at 321 Third Avenue, Twin Falls, Idaho.

O. W. Hinshaw is an inspector of plant diseases with the Bureau of Entomology of the United States Department of Agriculture, with headquarters at El Paso, Texas.

C. O. Grandfield has accepted the position as county agricultural agent of Wilson county, Kansas.

Keith E. Kinyon, a captain in the United States Marines, is on the battleship Utah.

T. R. Pharr is the county agricultural agent of Jewell county, Kansas.

Claude Lovett, who is in the live stock business at Neal, Kansas, is gaining considerable reputation as a breeder of shorthorn cattle.

Marshall P. Wilder, winner of the penthalon in the championship meet of the American expeditionary forces, is training to enter the penthalon in the elimination meets for the American Olympic team at Chicago next June. Wilder was a captain in the Eighty-ninth division, and played on the championship football team of that organization. In addition to an unusual athletic

career in the army, Wilder made a creditable showing as a military leader. He was considered among the best patrolmen in the Eighty-ninth, and wears both the Croix de Guerre and the Distinguished Medal Cross as material evidence of his achievements.

G. M. Arnold is working as a chemist in the oil fields at Augusta, Kansas.

J. R. Dawson, of the class of 1917, is now head of the dairy department at the University of Kentucky.

W. H. Brookover is farming at Eureka, Kansas.

William Janssen is teaching agriculture in the Geneseo, Kansas, High School.

Siebert Fairman, of the class of 1919, is with the General Electric Company at Lynn, Massachusetts.

Holman L. Bunger has been selected for the all-star basketball team of the Missouri Valley Conference. Brother Bunger is considered one of the best forwards now playing the game. His athletic career began at Wheatbridge High School. For the past two seasons he has been the star of the Kansas Agricultural College.

OKLAHOMA ALPHA

H. H. Finnell, '18, is research assistant at the A. and M. College at Stillwater, Oklahoma.

Henry E. Dunlavy, '19, is the representative of the Federal Board of Vocational Education at the A. and M. College at Stillwater.

A. E. Wade, '18, is farming at Douglas, Oklahoma.

Charles W. Upp and L. M. Landers are both at Cushing, Oklahoma.

George W. Glendening, '19, is assistant county engineer at McAlister, Oklahoma.

Robert Wall is farming at Perkins, Oklahoma.

E. E. Ives, '17, is a civil engineer with the Empire Gas and Fuel Company at El Dorado, Kansas.

Meredith H. Bright, '19, is in the Smith-Hughes work at Hugo, Oklahoma. His address is 508 East Jefferson Street.

J. F. Rolette is in the insurance business at Drumwright, Oklahoma. He has recently become a member of the Rotary Club.

C. Kilpatrick, '19, is in the Smith-Hughes work at Hunter, Oklahoma.

Miscellaneous Alumni

E. L. Bell, a charter member of Delaware Alpha, has moved from Drumwright to Tulsa, Oklahoma.

E. A. Clark, Indiana Alpha, is located at Tulsa, Oklahoma.

Irving B. Smith, Kansas Alpha, is located at 1020 Lawrence Street, Wichita, Kansas.

J. Wayne Horn, Kansas Alpha, is living in Tulsa, Oklahoma.

S. R. Parker, New York Beta, has a position with the Carolina Power and Light Company, Raleigh, N. C.

W. L. Phelps, North Carolina Gamma, is with the Interstate Motor Equipment Company at Raleigh, N. C.

Willis Smith, North Carolina Gamma, is practising law and has an office in the Citizens National Bank Building, Raleigh, N. C.

George Reinks, ex. '05, Colorado Alpha, has recently been appointed general manager for the Amalgamated Sugar Company. The company by which he is employed has a string of factories in Idaho and Utah, and its general headquarters in Ogden, Utah, where Brother Reinks is now located.

Raymond "Pete" Nelson, '16, Colorado Alpha, maintains that he has at last found the perfect Shavetails' Paradise. He has a major running a transit and a former captain as a rodman. During his recent visit to Colorado Nelson included Leadville on his itinerary; and it is rather rumored that he didn't go to the mountain town to admire the naural scenery. His address is Box 22, Milwaukee, Wisconsin.

Charles R. Burlingame, Colorado Alpha, is instructor in the mechanical engineering department of the University of Colorado.

Frank H. Triplett, Virginia Eta, and Miss Ruth Hearne, of Albemarle, N. C., were married October 15, 1919. The wedding trip from Albemarle to Pine Bluff was made by automobile.

Robert E. Cushman, Illinois Alpha, is a member of the faculty at the University of Minnesota.

John J. ("Johnny") Craig, Minnesota Alpha, is a member of the faculty in the College of Engineering at the University of Minnesota.

Enrique "Jim" Jimenez D., Minnesota Alpha, according to our last report, is in Old Mexico. The Chapter would like very much to hear from him.

.Charles Partridge is teaching in the Cannon Falls, Minnesota, High School.

Orville Caldwell, California Alpha, who has lately been playing in the Maitland Theatre in San Francisco, California, will join Guy Bates Post in Sacramento and continue with this company to New York, where they will be by June 1, 1920.

Xenophon R. Gill, Colorado Alpha, is president of the X. R. Gill Motor Company at Okmulgee, Oklahoma.

John Maulbetsch, Michigan Alpha, former all-American half-back and football captain of Michigan, is coaching at Phillips University, Enid, Oklahoma.

George H. Yoe, Kansas Alpha, is at Bartlesville, Oklahoma, his address being R. F. D. No. 2.

Charles L. Yancey, D. of C. Alpha, Past Grand Vice-President and Past Grand Historian, has his law offices at 810-11-12-13 Mayo Building, Tulsa, Oklahoma.

Walton Clinton, Virginia Eta, is a banker at Tulsa, Oklahoma. His address is 422 Houston Avenue.

W. C. Brown, Kansas Alpha, is in the grocery business at Tulsa, Oklahoma. His address is Fourth Street and Elgin Avenue.

Have You Sent Your War
Record In?

CHICAGO ALUMNI ASSOCIATION

Meets Third Tuesday of Each Month

Chicago's old Alumni Association, which was forced to discontinue its meetings for the period of the war, has been re-established and now promises to be one of the strongest alumni organizations of the Fraternity. Look to your laurels New York, Kansas City, Denver and others, for Chicago Sig Eps are aiming high. We are not going to be satisfied until we have a membership of one hundred.

The first meeting was held on the evening of March 20th, at which time the reorganization was effected. Brother I. W. Turnquist, Illinois Alpha, was elected president, and H. M. McCargar, Iowa Alpha, secretary and treasurer. Every one of the eighteen members present was filled with enthusiasm.

We were happy to receive a visit on April 14th from our Grand Secretary, Wm. L. Phillips. Hearing that he would be in the city, a special meeting was called and we spent a very enjoyable evening together.

On the evening of April 19th, the second meeting was held at the Central Y. M. C. A., La Salle street. The twenty men present represented six Chapters of the Fraternity: Illinois Alpha, Iowa Alpha, Missouri Alpha, Delaware Alpha, New York Beta and Indiana Alpha. Like the first one, this meeting was a pronounced success. Plans were discussed for future meetings and also for a few social functions in which our wives and sweethearts may join us. We were very glad to have Shelby Hines, an active member of Illinois Alpha, with us at this meeting.

We are expecting to have thirty-five or forty alumni at our next meeting, May 18th. Several of the active chapters have furnished us with names and addresses of their alumni living in or near Chicago, and we should like to take this means of requesting that any other Chapters having alumni in the city or suburbs do likewise. Address correspondence to H. M. McCargar, 7048 Eberhart Ave., Chicago.

PORTLAND, OREGON, MEETING

During the spring vacation a number of the alumni and active members got together for a jolly-up at the Oregon Hotel, Portland, March 27th. Those present were L. J. Tolls, E. E. Brown, F. C. Shepherd, G. E. Savage, W. H. Johnson, C. L. Firestone, A. M. Manning, L. A. Moss, G. F. Bell and H. B. Robinson.

SIGMA PHI EPSILON AT WISCONSIN

Since the University of Wisconsin attracts graduate and undergraduate students from every State in the Union it is quite natural to find a number of Sigma Phi Epsilons at Madison, although there is at present no active Chapter here.

Shortly after the opening of the fall term the "Sig Eps" felt the loss of the active associations found in their respective Chapter houses; and decided to form an active alumni association for the purpose of gathering for a social time.

After a few preliminary meetings the organization was effected and the following officers were elected: Prof. J. O. Kammerman, chairman; Eugene F. Kornreich, Secretary-Treasurer. Meetings are held every two weeks and despite the fact that each one tells how busy he is, all find time to attend.

One of the propositions which has come before them is the petition of the Awema Club, a fifteen-year-old Wisconsin local, for a Chapter of $\Sigma \Phi E$. After a careful investigation the association has gone on record in favor of this petition.

The following alumni are at Madison: A. E. Cole, Ohio Epsilon, Assistant in Zoology and graduate student. He expects to attend the Summer School here this year.

R. E. Christy, Wisconsin Alpha, is taking the L. and S. course receiving his degree in 1922. He is a member of the Square Club, Athenia, and an interested worker in the University Y. M. C. A. Christy is one of our married brothers, Mrs. Christy coming here with him from Appleton.

H. A. Feldman, Wisconsin Alpha, is athletic director of the boys' department of the City Y. M. C. A., and devotional chairman of the University Y. "Hans" spends much of his spare time with a certain co-ed whom we all pronounce O. K. The date of their marriage will be announced in the near future.

L. M. Forman, Wisconsin Alpha, is taking the L. and S. course and will graduate in June, 1921. Brother Forman is a member of the Glee Club and is the tenor soloist for that organization. Space will not permit an adequate description of the good qualities of his voice. Recently he won the senior oratorical contest. He also belongs to the Square Club and University quartet. Brother Forman does not believe teachers receive sufficient compensation and is planning to provide for one female teacher as soon as he leaves the "U."

L. L. Foster, Wisconsin Alpha, is employed by the State of Wisconsin in the agricultural department. Brother Foster has charge of the inspection department of farm garden products put on

the market in the State of Wisconsin. His headquarters are at the State capital. Brother Foster is married and is an active member of Madison Lodge No. 5, F. and A. M.

P. A. Harvey, Minnesota Alpha, is an assistant instructor in Botany, coming to Wisconsin as a graduate student from Minnesota University. Brother Harvey will receive his Ph. D. degree in February, 1920, following which he will be an instructor here in the Biology department.

E. J. Law, Pennsylvania Delta, 1916, Architecture, is one of the leading architects of Madison. Brother Law was very active while attending college at Philadelphia, being a member of the crew and president of the Architecture Society. Brother Law is married and intends making Madison his permanent residence. He is also a member of Madison No. 50, R. A. M.

G. W. McIlray, Wisconsin Alpha, is enrolled in the College of Agriculture and will receive his B. S. degree in June, 1922. Brother McIlray is a member of the U. S. Naval Reserve, a member of the Knights of Pythias, and the Agricultural Literary Society. He does not forget his connection with Wisconsin Alpha and only recently succeeded in persuading two more Wisconsin Alpha men to take up their studies at Madison in February.

J. O. Kammerman, Pennsylvania Eta, is a member of the faculty holding the chair of Professor in Electrical Engineering. He is an active $\Sigma \Phi E$ worker, having been the guiding spirit for the local which is now the Pennsylvania Eta Chapter, and also was Grand Treasurer, 1916-1919. Brother Kammerman was chairman of the State Branch of the National Council of Defence of Oklahoma, and a member of the State Branch of the Naval Consulting Board, and secretary of the Oklahoma Utilities Association. Brother Kammerman has written a number of articles on engineering subjects which have been published in the leading "Technical Journals." He is an honorary member of Eta Kappa Mu, of Bellfonte, No. 261, F. and A. M., Knights of Pythias, Royal Arcanum, and Square Club. We feel sure that Brother Kammerman will establish himself in Wisconsin permanently.

Eugene F. Kornreich, Wisconsin Alpha, is preparing for medicine at Wisconsin and will receive his B. A. degree in February, 1921, and we hope by that time to have a four-year medical course here so we can have Brother Kornreich with us for two more years. He has been a member of the varsity basketball squad for the last two years, participated in inter-collegiate football, baseball and was college tennis champion. At present he is assistant coach of the freshman varsity basketball squad and is scheduled to officiate the finals in the State basketball tournament to be held here. Brother Kornreich is also a member of the Y. M. C. A. staff, a member of H. L. Palmer, No. 301, F. and A. M., and the University Square Club.

We assure all the brothers that we have a live organization and in the future you will hear more from and about us.

Marriages and Births

Marriages

The marriage of Clarence F. Moore, Minnesota Alpha, to Miss Esther LeRoy, of Alexandria, Minnesota, took place March 18, 1920.

H. B. Wright, Virginia Alpha, is the proud father of Margaret Fisher, born March 28, 1920.

Resolutions

RESOLUTION OF COLORADO ALPHA

Whereas it has pleased God in His infinite wisdom to call unto Himself our dearly beloved brother,

George Raymond Sherman.

Whereas he was a true brother of Sigma Phi Epsilon; be it Resolved, That this, the Colorado Alpha Chapter of Sigma Phi Epsilon, extends its heartfelt sympathy to the bereaved family; and be it also

Resolved, That a copy of these resolutions be sent to the family, a copy be published in the Fraternity Journal, and a copy be spread upon the records of this Chapter.

MORTIMER SULLIVAN,
WM. R. SHAW.

RESOLUTION OF DELAWARE ALPHA

Whereas it has pleased Almighty God in His infinite wisdom to call to His reward our beloved brother,

Joseph H. Hossinger,

And whereas it has become our sad duty to record his untimely death; and

Whereas Sigma Phi Epsilon has lost a true and faithful brother and our college a diligent trustee; be it

Resolved, That we, the Delaware Alpha Chapter of Sigma Phi Epsilon, hereby place on record our heartfelt sorrow at the loss of a brother who was so dear to us; and be it

Resolved, That we hereby extend our sympathy to his family; and be it further

Resolved, That a copy of these resolutions be sent to the family of our deceased brother, and a copy be spread on the records of our Chapter, and a copy be published in the Journal of the Fraternity.

DRAPER SMITH,
W. WILSON LATTOMUS,
WALTER D. SMITH,
Committee.

Whereas it has pleased Almighty God in His infinite wisdom to take from our midst our beloved brother,

William Hayes Wallace, Jr.,

And whereas he typified the highest ideals of this Fraternity;
and

Whereas his life has been a worthy example for all who knew him; and

Whereas it has become our sad duty to record his death; be it

Resolved, That we, the Delaware Alpha Chapter of Sigma Phi Epsilon, extend our sympathy to his parents; and be it further

Resolved, That a copy of these resolutions be sent to the parents of our deceased brother, a copy be spread on the minutes of our Chapter, and a copy be published in the Sigma Phi Epsilon Journal.

DRAPER SMITH,
W. WILSON LATTOMUS,
WALTER D. SMITH,
Committee.

RESOLUTION OF VERMONT ALPHA

Whereas it hath pleased our Lord in His infinite wisdom to call from the trials of this earthly life our dearly beloved brother,

Grant Rochlum Haight

Whereas it has become our sad duty to record his death; and

Whereas through his death Sigma Phi Epsilon has lost a true and worthy brother; be it

Resolved, That we, the Vermont Alpha Chapter of the Sigma Phi Epsilon Fraternity, extend to the family of the deceased brother our sincere and heartfelt sympathy in this our mutual loss; and be it further

Resolved, That a copy of these resolutions be sent to the family of our dear brother; that a copy be spread upon the records of our Chapter; that they be published in the Sigma Phi Epsilon Journal, the "Reveille," the Norwich University Record, and the Northfield News.

FREDERICK M. MATTHEWS,
DAVID B. HOLLIS, JR.,
FREDERICK A. WHETTON,
Committee.

Norwich University, February 1, 1920. .

RESOLUTION FROM ALABAMA ALPHA

Whereas it has pleased our Heavenly Father in His infinite wisdom to call from among us our dearly beloved brother,

Fred Dent Turner,

And whereas his going to rest has left a place vacant in the hearts of Sigma Phi Epsilon which can never be replaced; and

Whereas Sigma Phi Epsilon has lost a true and faithful brother loyal to the high ideals of the Fraternity and the world, a man of noble character, respected and beloved by all; and

Whereas it has become our sad duty to record his death; be it

Resolved by the Alabama Alpha Chapter of Sigma Phi Epsilon, That in his death we extend to his bereaved family our love and sympathy with these words of comfort, "One less on earth, one more in heaven; one less with us, one more with God." And be it further

Resolved, That a copy of these resolutions be sent to the family of the deceased brother, a copy be spread upon the records of the Alabama Alpha Chapter of Sigma Phi Epsilon and a copy be published in the Sigma Phi Epsilon Journal.

T. H. BURTON, JR.,

O. G. BRUNER,

H. S. GENIUS,

Committee.

RESOLUTION FROM WASHINGTON ALPHA

Whereas our Heavenly Father has called to Himself our dearly beloved brother,

Keith Bushnell McCroskey

And whereas he was so highly esteemed by the members of Washington Alpha Sigma Phi Epsilon; and

Whereas his life has been a worthy example for all who knew him; and

Whereas it has become our sad duty to record his death; be it

Resolved by Washington Alpha Chapter of Sigma Phi Epsilon, That in his death Sigma Phi Epsilon has lost a worthy, sincere and loyal brother; and be it further

Resolved, That we extend to his bereaved family our deepest and most heartfelt sympathy in this sorrow; and be it further

Resolved, That a copy of these resolutions be sent to his family and a copy be spread upon the records of this Chapter, and a copy be published in the Fraternity's Journal.

SAMUEL C. CHAMBERLAIN,

Committee.

RESOLUTION FROM WISCONSIN ALPHA

Whereas Almighty God, our Father, in His greater wisdom has called our beloved brother,

Don Day Smith

Whereas he was dearly beloved by all his brothers of Wisconsin Alpha of Sigma Phi Epsilon; and

Whereas he was highly esteemed by all who knew him; and

Whereas it has become our sad duty to record his death; therefore be it

Resolved by Wisconsin Alpha of Sigma Phi Epsilon, That in his death we feel the loss of a sincere friend, brave and faithful brother, respected and beloved by all who knew him; and be it further

Resolved, That we extend our deepest sympathy to his bereaved family in their sorrow; and be it further

Resolved, That a copy of these resolutions be sent to the family of our deceased brother, a copy to be spread upon the records of our Chapter, and a copy to be published in the Sigma Phi Epsilon Journal.

RALPH L. NICHOLS,
Secretary.

RESOLUTION FROM MINNESOTA ALPHA.

March 8, 1920.

Whereas it has pleased God to take from us our beloved brother,

Raymond Charles Kuenzli

And whereas it has become our sad duty to record his death; and

Whereas we feel particularly this loss, not only of a brother, but of a true friend to all who knew him; be it

Resolved, That we, the members of the Minnesota Alpha Chapter of Sigma Phi Epsilon Fraternity, in formal meeting assembled, record our loss and extend to the family of our deceased brother our sincere and heartfelt sympathy; and be it further

Resolved, That a copy of this resolution be sent to the family of our deceased brother, a copy be spread upon the record of the minutes, and a copy be published in the Sigma Phi Epsilon Journal.

RESOLUTION FROM MONTANA ALPHA

Whereas it has pleased God in His infinite wisdom to take from us our dearly beloved brother,

Guthrie Hugh Tipton

Whereas he was so highly esteemed by the members of this Chapter of Sigma Phi Epsilon because of his loyalty and devotion to his Fraternity and to his brothers; and

Whereas his life had been an inspiration and a blessing, and the memory of it shall always be such to all who knew him; be it

Resolved, That we extend to his bereaved family our deepest and most heartfelt sympathy in the mutual loss; and be it further

Resolved, That a copy of these resolutions be sent to his parents, a copy spread on the records of this Chapter, and a copy be published in the Fraternity Journal.

HUGH McMANUS,
DONALD CARNAL,
Committee.

Evarts Shanklin Barnum, Indiana Alpha

Evarts Shanklin Barnum, of the G. M. Basford Company, New York, died of pneumonia at his home in Ridgewood, N. J., on February 3 after an illness of eight days. Brother Barnum was born in Louisville, Ky., in 1883 and received his education at Purdue, class of 1906. His entire business life was connected with railroad work. Immediately upon graduation from college he entered the service of the Pennsylvania Railroad and worked successively as apprentice, machinist, foreman, general foreman, roundhouse foreman and motive power inspector. Leaving the railroad in 1917, he joined the staff of the Railway Age, New York, as associate editor, later becoming associated with the G. M. Basford Co., in charge of its copy department.

During the three years that Brother Barnum was located in New York he was very active in Purdue Alumni circles. As chairman of the membership committee of the Purdue Club he did very efficient work. He was a consistent attendant at the meetings and took advantage of every possible occasion to say something in the way of a boast for Purdue. Being in the advertising business and knowing the value of good advertising, he was persistent in his efforts to bring into being a more thorough publicity activity for Purdue in regard to her engineering work. At the time of his death Brother Barnum was a member of the club's publicity committee. At the December meeting he took out a life membership in the Alumni Association.

Brother Barnum endeared himself to all who came in contact with him. His even and pleasing disposition and his desire to "help the other fellow" made a friend of every one he met, and his untimely death is a blow to all who knew him. He is survived by his wife and two children.
